Message from Hon'ble
State Election Commissioner

The 73rd and 74th amendments to the Constitution of India in 1992 paved way for creation of the third tier of Governance in the Indian polity, which in turn has deepened the roots of Indian democracy by way of providing a working framework for Panchayati Raj institutions and Urban Local Bodies. Consequent to these amendments, State Election Commissions were set up in States/UTs for ensuring free, fair and transparent elections to the Panchayats and municipalities.

The State Election Commission, Delhi came into existence in October 1993 and is entrusted with the constitutional responsibility for ensuring free, fair and transparent elections to the urban local bodies in NCT of Delhi and UT of Chandigarh. Over the years the State Election Commission has strived to achieve the said constitutional mandate bestowed upon it by the Constitution of India under Article 243ZA.

There is no doubt that the local level democracy is the basic foundation on which the entire edifice of the democracy rests and therefore the elections to these Local Self Government Institutions assume greater significance.

The elections to the erstwhile three Municipal Corporations i.e. North Delhi Municipal Corporation, South Delhi Municipal Corporation and East Delhi Municipal Corporations could not be held in April, 2022 due to then proposed unification of the said three corporations into a single Municipal Corporation of Delhi. Thereupon, after enactment of DMC (Amendment) Act, 2022 on 18.04.2022, a single unified Municipal Corporation of Delhi came

into being with a provision to have a maximum of 250 wards.

The change in number of MCD wards necessitated fresh Delimitation of wards for which the Central Government constituted a three-member Delimitation Committee to assist Central Government in carrying out Delimitation of MCD wards. The 250 wards were determined by the Central Government vide Notification No.14011/04/2022-Delhi-II dated 10.09.2022.

The Delimitation Committee after series of discussions/meetings with various stakeholders finalized the draft Delimitation Order which was issued by the Ministry of Home Affairs, Government of India on 12.09.2022 and objections/ suggestions were invited on the same from general public and other stakeholders. After consideration of all suggestions / objections so received the Final Delimitation order was issued on 17.10.2022 by Ministry of Home Affairs, which further paved way for conducting elections to the newly constituted unified Municipal Corporation of Delhi consisting of 250 wards.

The Powers relating to Reservation of Wards of the Municipal Corporation of Delhi as prescribed in Section 3 and 5 of the DMC Act, 1957 have been delegated to the State Election Commissioner by Central Government vide F.No.14011/04/2022-Delhi-II dated 17.10.2022. Accordingly, the reservation order dated 20.10.2022 was issued by the Commission reserving 42 seats for persons of Scheduled Castes including 21 seats for Women of Scheduled Castes and of the remaining

208 seats, 104 seats were reserved for Women.

Since the elections were already overdue, the Commission worked on a war footing basis for preparing itself to conduct elections without any further delay to fulfill its constitutional mandate. In furtherance of this objective, the Commission held a press conference on 04.11.2022 and announced a schedule for holding Municipal Elections with date of poll as 04.12.2022 for 14673847 Voters and counting of votes on 07.12.2022.

The MCD Elections-2022 were driven by use of extensive Information Technology which not only expedited the process but also ruled out manual errors and thus bringing greater efficiency, efficacy and integrity in electoral process. Unique mobile apps for election officers and voters were launched and web version of these apps were also made available on the web portal of the Commission. Special customized election software was got developed by the Commission and all-important election processes and actions were undertaken by the election functionaries through the app and the election software which enabled seamless flow of real-time information between various stakeholders thereby facilitating better co-ordination & control by the Commission.

The electoral management involved huge mobilization of more than 2,00,000 election officials and security personnel. The logistic management involved movement and deployment of Polling Parties/ EVMs/Election material and setting up of Polling stations, strong room/counting centre. The Commission had made elaborate arrangements for ensuring a safe, secure and pleasant voting experience.

Several novel measures such as use of integrated electoral rolls, two -stage randomization of polling parties and EVMs, launch of mobile app for generation of voter slips and to obtain all voter information, facilitating ease of voting by Persons with Disability/Voter of age 80 years and above etc were undertaken by the Commission. Special emphasis was laid down on enforcing adherence to the Model Code of Conduct by the political parties and the candidates. In this endeavour for the first time ever in Municipal elections, Flying Squads, Static Surveillance teams, Video Surveillance teams were deployed by the Commission. Elaborate arrangements for security were made by the Commission in close co-ordination with Delhi Police and Ministry of Home Affairs, Govt. of India. The Commission also arranged for installation of web casting facility at all the 3360 sensitive polling stations and deployment of drones for aerial

surveillance. In view of simultaneous election process going in State of Gujarat and Himachal Pradesh, the Commission had effected ban on exit poll and opinion poll till the polling was over in Gujarat.

At this moment of release of this Election Report on MCD elections-2022, I wish to express my heartfelt gratitude to the Union Home Secretary, the Chief Secretary, Delhi, the Commissioner of Police, Delhi, Additional Secretary (UT) and Joint Secretary (UT) Ministry of Home Affairs, Govt. of India, Commissioner, MCD for facilitating quick deployment of adequate number of poll officials and security officials for smooth conduct of MCD elections. I also wish to thank all District Election Officers, General, Special & Expenditure Observers, Returning Officers, Asstt. Returning Officers, Officers & staff of the Commission and each and every other election officer / official who has worked tirelessly and meticulously for successful culmination of this mammoth exercise.

I also wish to convey my sincere thanks to both the Members of the Delimitation Committee, Member Secretary, Consultant (Delimitation) Consultant (Legal), Geo Spatial Delhi Ltd., Directorate of Census Operations Delhi and IT Cell (SEC) for assisting the Central Government in successfully carrying out the gigantic task of Delimitation of MCD Wards in a historically record minimal time despite innumerable complexities.

Through this Election Report, the Commission has brought out an exhaustive report on the Delimitation-2022 process and preparation & conduct of the MCD elections-2022 covering all vital aspects of the entire process for ready reference of the readers.

This Election Report is a tribute to the excellent performance of all election officials who collectively and vigorously worked day and night to achieve this significant feat of conducting peaceful, free and fair elections.

This election report published in three volumes is meant to be a record for institutional memory and I sincerely hope that it will be useful in disseminating information to the administrators and the general public at large by providing key insights to the electoral planning and would serve as a guiding source for future elections.

Local Self-Government Institutions in Delhi - A Historical Perspective

Local Self-Government Institutions in Delhi - A Historical Perspective

A NOTE ON THE ORIGIN OF THE MUNICIPAL CORPORATION OF DELHI (CREATED UNDER THE PROVISIONS OF THE DELHI MUNICIPAL CORPORATION ACT, 1957 - Narrative by Sh. O.P. Arora (Consultant Legal)

After independence of the country on 15th August, 1947, there were multiple civic agencies functioning in Delhi for specified jobs of sanitary, dealing with properties, taxes and other local administration. DELHI MUNICIPAL COMMITTEE within the urban limits viz. walled city areas and adjoining areas was functioning. There were other NOTIFIED AREA COMMITTEES like NAC Civil Lines, NAC Narela, NAC Mehrauli, NAC Najafgarh and NAC Shahdara in their respective areas but no elections were held in these NACs. For Delhi Municipal Committee comprised of property wards No.1 to 11 within city walls, Ward No.12 - Kamla Nagar, Sabzimandi, Shakti Nagar, Roop Nagar, University area, Malkaganj etc. Ward No.13 - Deputy Ganj, Ward No.14 Pahari Dhiraj-Sadar Bazar, Bara Hindu Rao, Ward 15 - Ram Nagar, Paharganj, Chitra Gupta, Multani Dhanda etc. Ward 16 entire Karol Bagh, Beadonpura, Faiz Road, Adjmal Khan Road, Western Extension Area, Dev Nagar, Rehgarpur, Sarai Rohilla, Rohtak Road and Ward 17- entire Anand Parbat area.

Periodical elections to Delhi Municipal Committee wards were being held even in British Regime and after Independence, elections to this body were held in 1951 and 1954. The term of the Committee was three years. The body elected in 1954 completed its term in 1957. The Parliament had passed THE DELHI MUNICIPAL CORPORATION ACT, 1957 and the Corporation was formed in 1958 after holding elections to wards. The limits of the Corporation was upto urban limits and the rural areas around the Corporation upto the borders i.e. villages were being looked after by the DEVELOPMENT DEPARTMENT OF GOVT. OF DELHI. Panchayats were being functioning in rural areas for which elections were regularly held by the Development Department. Due to mal-functioning, the gram panchayats were superseded in 1987-88. The Commissioner, Municipal Corporation of Delhi, was holding elections to MCD prior to

1977. The relevant law was amended to declare the Chief Electoral Officer, Govt. of Delhi, as ex-officio "Director of Municipal Elections, Delhi" for arranging and holding periodical election to the said body. As such, first general election to this body was conducted on 12.6.1977 alongwith general election to the Metropolitan Council of Delhi (There was no Assembly in Delhi at that time). Next election to DMC was due and conducted on 5.2.1983. No election took place thereafter perhaps in view of the proposals for 73rd amendments in the Constitution.

The Central Government took it seriously that panchayat and local bodies in the entire country were not functioning in orderly manner and elections were also not being held timely, and institutional framework was created for the third tier of the government by way of 73rd and 74th Amendment Acts in the Constitution, providing better regime, powers to the local bodies and gram panchayats and most particularly, the terms of these bodies was prescribed as '5 years' and that next election to these bodies should be held before expiry of the present term of 5 years to ensure that these bodies functions throughout. A three-tier system of panchayat raj was introduced i.e. Gram Panchayats (for election of Surpanch and Panches) at village level, Panchayat Samiti at Block level and Zila Parishad at District level which is now functioning successfully.

The areas of Delhi Municipal Corporation were extended to borders on all sides including urban and rural areas both except for areas falling under New Delhi Municipal Council and the Delhi Cantonment Board. As such, there is no panchayat system in NCT of Delhi.

Consequent to the 74th Amendment Act 1993 of the Constitution, a State Election Commission headed by a State Election Commissioner was

constituted in every State and UT. The State Election Commission in Delhi was constituted on 6th October, 1993 with the appointment of 1st State Election Commissioner, Sh. S.D. Lakhar, IFAS (Retd) with terms of service for 3 years, as the DMC Act, 1957 provided for appointment of SEC after retirement. In the service rules of the SEC in 1993, it was also provided that if a serving officer is posted as SEC he will be deemed to have retired from his present service. Initially, every SEC was appointed for 3 years which terms were extended to 6 years in 2011. As per provisions of section 7 of the DMC Act, 1957 if the SEC has to be removed from office before expiry of his present term, the course of action has to be adopted as is applicable to the Judge of the High Court of Delhi (i.e. by impeachment in Parliament in case of Delhi as no complete Statehood has been provided to Delhi (and the State Assembly). Recently, the other service conditions applicable to the Judge of the High Court of Delhi have also been adopted as applicable to the SEC.

There had been 134 wards in the Delhi Municipal Corporation in 1993 which were delimited on the basis of Census 1991 within a record time of 2 months and final Delimitation Order issued on 30.12.1993 by the Hon'ble L.G., Delhi as the powers to delimit wards were vested in the Central Government and later on the powers were delegated to the L.G., Delhi. The DMC Act was amended in 2007 increasing the number of wards from 134 to 272. And by further amendment in 2011 three Corporations for Delhi Viz North Delhi with 104 wards, South Delhi with 104 wards and East Delhi with 64 wards were created.

The DMC Act, 1957 was also amended to incorporate changes made by 73rd amendments in the Constitution. The term of the Corporation was now 5 years from the date of its first meeting and next election to the body should be held before expiry of the present term of the House. The Constitution and later amendments in the DMC Act, 1957, provided for reservation of wards of the Corporation for 4 specified categories of persons viz. scheduled castes, scheduled castes women, only women and the general category. It was also provided that wards should be delimited on the basis of latest Census and population of each ward should be equal as far as practicable. For the purpose, the entire population of DMC should be divided by number of wards and average population found out. The

number of seats for scheduled castes category of persons was to be based on total population of DMC divided by total population of scheduled castes persons. The percentage of SC population shall be the guiding factor for arriving at total SC wards i.e. the total wards should be divided by the percentage of SC population and exact number of SC wards found out. It is also provided that out of SC wards not less than 50% should be reserved for the SC women and in the remaining wards not less than 50% be reserved for Women and remaining are kept as General. The Commission notified the order for reservation of wards for specified category of persons in March, 1994 but the order was challenged in the High Court. The Hon'ble High Court after long arguments, dismissed the petitions and accepted the order framed by the Commission. Thereafter, all preparations for the first general election commenced. Under the Act and Rules, the Commission has the powers to prepare its own electoral rolls or to adopt the electoral rolls of Assembly constituencies as were in force for the time being for elections to the DMC. With these efforts, the Commission could hold its first general election to the DMC on 24.2.1997. Thereafter, all elections were being held periodically and before expiry of the term of the House at each occasion. Mostly, the elections were held in March/April after every 5 years.

The last election to the three Corporations was held on 23.4.2017 and as such next election became due on expiry of the present term on 22.5.2022. The Central Government had been watching the functioning of the three Corporations but was not satisfied largely on the account of non-earning on the part of North and East Delhi M.Cs and also for mal-functioning. The Central Government brought amendments in the DMC Act unifying the three Corporations as single Corporation. The total number of wards also reduced from 272 to 250 which necessitated delimitation of wards. Fresh Census for 2021 did not take place as yet and therefore, census data for 2011 census was adopted. Delimitation exercise was undertaken by the Central Government and final order notified on 17.10.2022. Immediately thereafter, the Reservation of Wards order was also framed and issued by the SEC under powers delegated to him by the Central Government, on 20.10.2022. All preparations for the next elections to the unified single Corporation were taken up in hand by the SEC, electoral rolls of

ECI with r/o NCT of Delhi in force for the time being, were adopted and general election conducted on 4.12.2022. The results were declared and notified on 8.12.2022. There has been no untoward incident and elections held fairly and peacefully.

It may be pertinent to note that this Commission is also bestowed with the responsibility of holding municipal elections to UT Chandigarh.

The Commission had conducted general election to the Municipal Corporation of UT Chandigarh in December, 1996 and thereafter on expiry of the terms of the House at each occasion i.e. after every 5 years.

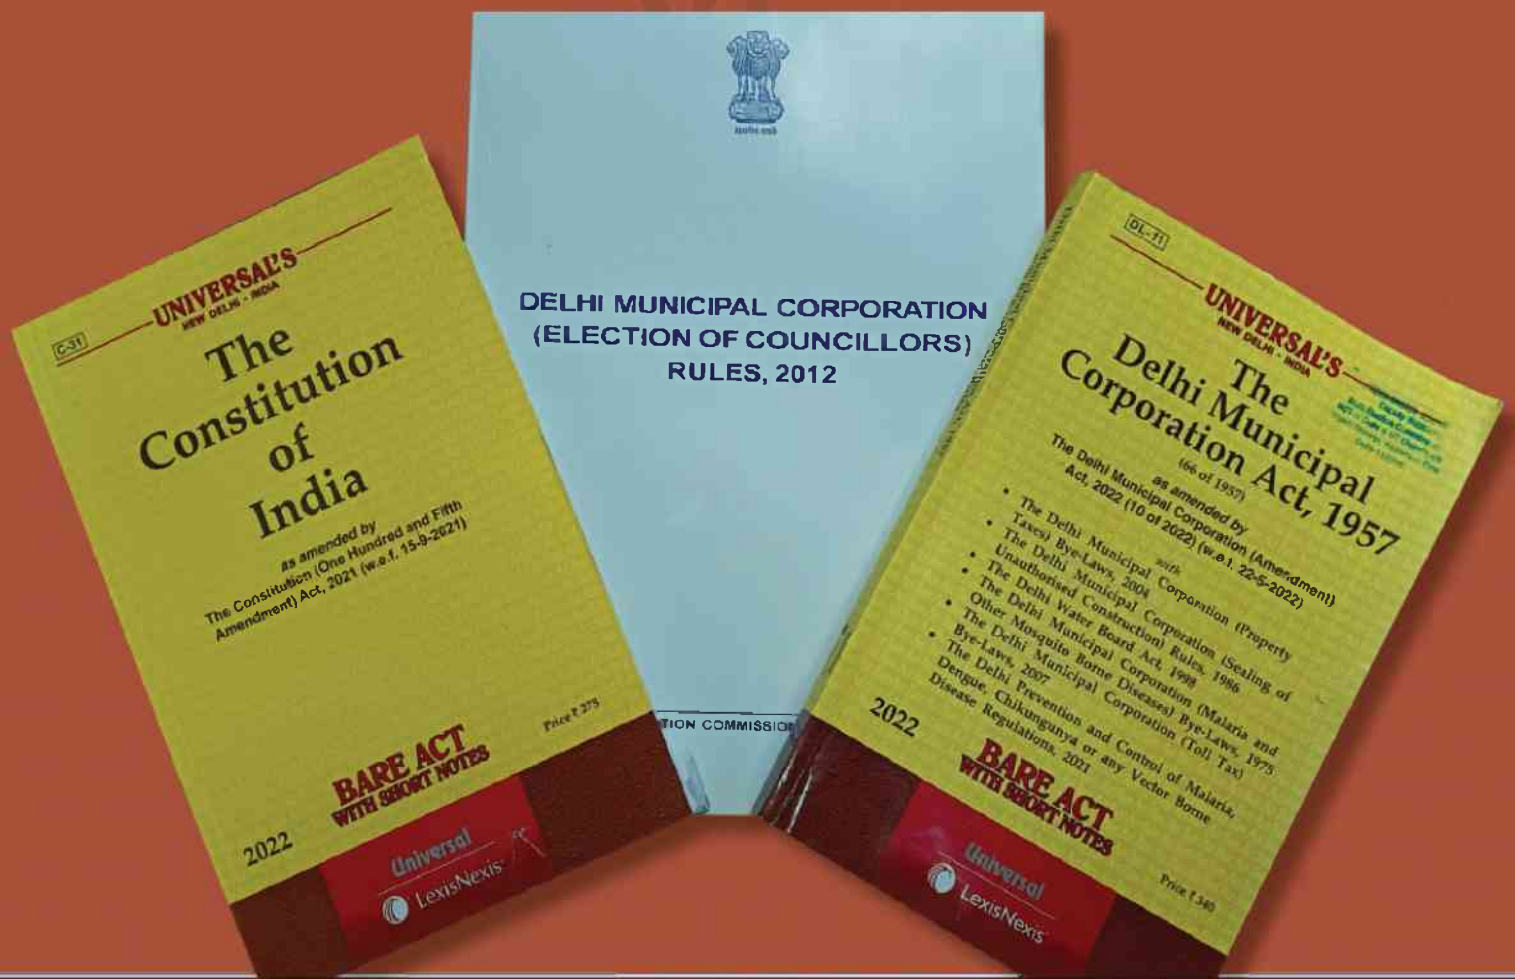

As per 73rd amendment in the Constitution, the existing panchayats were not dissolved but given full life and next election would be held only on expiry of the present term of each House i.e. Gram Panchayats at village level, panchayat samiti at block level and zila parishad at District level. There is only

one District in Chandigarh UT. As such, the first panchayat elections were held in 1999. Thereafter, elections to three different bodies of panchayats were being held on expiry of each House as the expiry dates of each House has been different. Due to rapid urbanization in Chandigarh, the panchayat system in Chandigarh was abolished in 2018 and rural areas merged in the Corporation resulting increase in number of wards from 26 to 35. The first election to MC Chandigarh with increased wards was conducted by this Commission in December, 2021.

The office of the State Election Commission of Chandigarh is functioning in the building of Municipal Corporation of Chandigarh on complete first floor of right wing. At the time of an election, the Hon'ble SEC and senior staff stay at Chandigarh for the conduct of election. However, some subordinate staff is there to look after day to day work.

CHAPTER-3

***Important Judgments on Election Matters and
Powers of Election Commission***

Important Judgments on Election Matters and Powers of Election Commission

SOME IMPORTANT JUDGMENTS OF SUPREME COURT AND HIGH COURTS IN ELECTION MATTERS - ESPECIALLY EMPOWERING THE STATE ELECTION COMMISSIONERS AT PAR WITH THE CHIEF ELECTION COMMISSIONER OF INDIA (under article 324 of the Constitution).

3.1 Union of India Vs Association for Democratic Reforms and another (No.7178 of 2001)

A Civil appeal was filed before the Hon'ble Supreme Court of India vide No.7178 of 2001 - **Union of India Vs Association for Democratic Reforms and another** - In this case, the Hon'ble Court had ordered the ECI to issue directions for filing of affidavits by candidates alongwith their nomination papers giving details of their criminal past, their assets and liabilities and educational qualifications. The ECI had pleaded that the provisions of the Representation of the People Act, 1951 and the rules made thereunder shall have to be amended by the Central Government for which a reasonable time would be necessary. As the Hon'ble Court was inclined to issue ECI orders immediately, it had given the following verdict : -

"The jurisdiction of the Election Commission is wide enough to include all powers necessary for smooth conduct of elections and the word 'election' is used in a wide sense to include the entire process of election which consists of several stages and embraces many steps.

The limitation on plenary character of power is when the Parliament or State legislature has made a valid law relating to or in connection with elections, the Commission is required to act in conformity with the said provisions. In case where law is silent, Art. 324 is a reservoir of power to act for the avowed purpose of having free and fair election. Constitution has taken care of leaving scope for exercise of residuary power by the Commission in its own right as a creature of the Constitution in the infinite variety of situations that may emerge from time to time in a large democracy, as every contingency could not be foreseen or anticipated by the enacted laws or the rules. By issuing necessary

directions Commission can fill the vacuum till there is legislation on the subject. In Kanhiya Lal Omar's case (AIR 1986 SC 111), the court construed the expressions 'superintendence, direction and control' in Art 324(1) and held that a direction may mean an order issued to a particular individual or a precept which may have to follow and it may be specific or a general order and such phrase should be construed liberally empowering the Election Commission to issue such orders.

The word 'elections' includes the entire process of election which consists of several stages and it embraces many steps, some of which have an important bearing on the process of choosing a candidate. Fair election contemplates disclosure by the candidate of his past including assets held by him so as to give him a proper choice to elect a candidate according to his thinking and opinion. As Stated earlier, in Common Cause case [(1996) 2 SCC 752], the court dealt with a contention that elections in the country are fought with the help of money power which is gathered from black sources and once elected to power, it becomes easy to collect tons of black money, which is used for retaining power and for re-election. If on affidavit a candidate is required to disclose the assets held by him at the time of election, voter can decide whether he could be re-elected even in case where he has collected tons of money."

3.2 Civil Appeal No.1553 of 1980 Jyoti Basu and Ors Vs. Debi Ghosal and Ors. (Case of Election Commission of India) Supreme Court of India Decision dated 26.02.82.

Judgment:

No one may be joined as a party to an election petition otherwise than as provided by Ss. 82 and 86(4) of the RP Act, 1951. It follows that a person who is not a candidate may not be joined as a

respondent to the election; petition (1981) 85 Cal WN 532 Reversed (Paras 9,13).

So far as elections to the Municipal Corporation of Delhi (local bodies) are concerned, an election petition can be filed before the District Judge, Delhi, within 15 days of the declaration and publication of result of election in Delhi Gazette as required in section 15 of the Delhi Municipal Corporation Act, 1957 as amended which provides that all candidates in the ward wherein petition has been filed, shall be joined as Respondents in the case. Rule 89(a) of the Delhi Municipal Corporation (Election of Councillors) Rules, 2012 provides that candidate would mean a person who has aspired for the said election i.e. the person/candidate who has filed his/her nomination. But as the petitioners do it in cases of election petitions, the State Election Commissioner, Delhi and the Returning Officer of the concerned ward, L.G., Delhi, Chief Secretary, Delhi etc. are also made respondents in the EP. which as per above legal provisions and the abovesaid judgment, an election petition can be filed by making only all the aspiring (nominated) candidates at an election to a ward of the DMC and if the above or other officers have been made respondents, these have to be excluded from the array of respondents forthwith.

In the above judgment, it is further clarified by the Hon'ble Court: "A right to elect, fundamental though it is to democracy, is, anomalously enough, neither a fundamental right nor a common Law Right. It is pure and simple, a statutory right. So is the right to be elected. So is the right to dispute an election. Outside of statute, there is no right to elect, no right to be elected and no right to dispute an election. Statutory creations they are, and therefore, subject to statutory limitation. An election petition is not an action at Common Law, nor in equity. It is a statutory proceeding to which neither the common law nor the principles of equity apply but only those rules which the statute makes and applies. It is a special jurisdiction, and a special jurisdiction has always to be exercised in accordance with the statute creating it. Concepts familiar to Common Law and Equity must remain strangers to Election Law unless statutorily embodied.

3.3 Mohinder Singh Gill And another Vs The Chief Election Commissioner. (Supreme Court Of India), Judgment Dated 2.12.1977

Subject: Filing of election petitions against conduct of election to a constituency - regarding.

Powers of Election Commission of India

In this case, some booth capturing was reported at certain polling stations of a constituency but the Election Commission of India had ordered for repoll in the entire constituency instead of certain specified polling stations which is a matter of challenge in this case.

Some important extract from the above judgment on the subject cited above

"The Act (Representation of the People Act, 1951 in case of Election Commission of India), provides for only one remedy and that remedy being by an election petition to be presented after the election is over, there is no remedy provided at any of the intermediate stages (Smt. Indira Gandhi Vs Raj Narain).

The compendious expression 'election' commences from the initial notification and culminates in the declaration of the return of a candidate. The paramount policy of the Constitution framers in declaring that no election shall be called in question except the way it is provided for in Art.329(b). The reason for postponement of election litigation to the post-election stage is that elections shall not unduly be protracted or obstructed.

In harmony with this scheme s.100 has been designatedly drafted to embrace all conceivable infirmities which may be urged.

In a democratic set up power has to be exercised in accordance with law. Since the conduct of all elections is vested under Art.324(1) in the Election Commission, framers of the Constitution took care to leaving scope for exercise of residuary power by the Election Commission, in the infinite variety of situations that may emerge from time to time. Yet, every contingency could not be foreseen and provided for with prevision. The Commission may be required to cope with some situation, which may not be provided for in the enacted laws and rules. The Election Commission which is a high powered as independent body, cannot exercise its functions or perform its duties unless it has an amplitude of powers. Where a law is absent the Commission is not to look to any external authority for the grant of powers to deal with the situation but must exercise its power independently and see that the election process is completed in a free and fair manner. Moreover, the power has to be exercised with promptitude.

3.4 N.P. Poonuswami vs Returning Officer, Nanakkal Constituency and others.

...The Commission is entitled to exercise certain powers under Art. 324 itself on its own right in an area not covered by the Acts and Rules.

whether an order passed is wrong, arbitrary or is otherwise invalid, relates to the mode of exercising the power and does not touch upon the existence of the power in an authority if it is there either under the Act or the Rules or under Art.324(1).

The contention that the Election Commission had no power to make the impugned order for a re-poll in the entire constituency, is without substance."

P.19 - Secondly, the pregnant problem of power and its responsible exercise is one of the perennial riddles of many a modern constitutional order. Similarly, the periodical process of free and fair elections uninfluenced by the caprice, cowardice or partisanship of hierarchical authority holding it and unintimidated by the threat, tantrum or vandalism of strong arm tactics, exacts the embarrassing price of vigilant monitoring. Democracy digs its grave where passions, tensions and violence, or an overpowering spree, upset result of peaceful polls and the law of elections is guilty of sharp practice if it hastens to legitimate the fruits of lawlessness.

3.5 Civil Appeal No.6790 Of 2013, Supreme Court of India (Election Petition No.14 of 2009) (Dated 26.8.2013) Nand Ram Bagri (Appellant) Versus Jai Kishan & Ors.

Sub: Reg. filing of affidavits for criminal backgrounds etc. of a candidate while filing nomination papers at an election to the Assembly/parliamentary constituency.

P.39- It is not as if the respondent no.1 in the affidavit represented himself to be having no criminal past; he disclosed three cases pending against him. The case of the petitioner is of non-disclosure of certain other cases. However, all that the petitioner has been able to prove is, the information furnished by the Police Authorities under the RTI Act and the pendency of appeals against acquittal in some cases. However, the requirement under Form 26 is not of disclosure of all FIRs against the candidate but disclosure only of those FIRs in which 'charges have been framed' by the Court or in which 'cognizance has been taken by the Court'. The petitioner has failed to prove that in the cases pertaining to the FIRs disclosed in response to the RTI query and which the

respondent no.1 has not disclosed in his affidavit, charges have been framed and / or cognizance had been taken. As far as the pendency of the appeals is concerned, the same are admittedly against the acquittals and which though were under the Press Note dated 28.6.2002 required to be disclosed but are under Rule 4A or Form 26 supra, not required to be disclosed. The petitioner has also failed to prove that the notice of the said appeals had been served on the respondent no.1 prior to the submission of the Nomination Form, Thus, I do not find the petitioner to have prove any falsity, misrepresentation or suppression on this account also.

P.40- It is significant that the requirement is for disclosure of only those cases in which charge is framed or cognizance is taken by the Court of law and not on mere FIR on the basis whereof no charge has been framed or cognizance taken. This position has remained the same since the directions in Association for Democratic Reforms.

We have heard learned counsel for the appellant and carefully scrutinised the record. Learned counsel for the appellant could not advance any tangible argument to question the findings recorded by the learned Single Judge of the High Court. Even otherwise, we are satisfied that the detailed reasons recorded by the learned Single Judge for holding that respondent no.1 was not guilty of violating the spirit of the judgment in Union of India v. Association for Democratic Reforms (supra) or Section 123(2) and (4) of the Act are legally correct and the judgment under challenge does not require interference under Section 116-A of the Act.

With the above observations, the appeal is dismissed."

3.6 Appeal (Civil) 5756 of 2005 Kishan Singh Tomar Versus Municipal Corporation of The City of Ahmedbad & Ors (Supreme Court of India) (Dated 19.10.2006)

Judgment:

DETAILING POWERS OF THE STATE ELECTION COMMISSIONS IN HOLDING ELECTIONS TO THE URBAN LOCAL BODIES AND THE PANCHAYAT BODIES ALSO - OBLIGATION UPON GOVERNOR OF THE STATE TO PROVIDE FUNDS, STAFF ETC. FOR HOLDING OF ELECTIONS TO THE SECS - REGARDING.

In terms of Article 243K and Article 243 ZA (1) the same powers are vested in the State Election Commission as the Election Commission of India under Article 324. The words in the former provisions are in pari materia with the latter provision.

The words, 'superintendence, direction and control' as well as 'conduct of elections' have been held in the "broadest of terms" by this Court in several decisions including in *Re: Special Reference No. 1 of 2002* (200-2) 8 SCC 237 and *Mohinder Singh Gill's case* (1978) 1 SCC 405 and the question is whether this is equally relevant in respect of the powers of the State Election Commission as well.

From the reading of the said provisions it is clear that the powers of the State Election Commission in respect of conduct of elections is no less than that of the Election Commission of India in their respective domains. These powers are, of course, subject to the law made by Parliament or by State Legislatures provided the same do not encroach upon the plenary powers of the said Election Commissions.;

The State Election Commissions are to function independent of the concerned State Governments in the matter of their powers of superintendence, direction and control of all elections and preparation of electoral rolls for, and the conduct of, all elections to the Panchayats and Municipalities.

Article 243K (3) also recognizes the independent status of the State Election Commission. It States that upon a request made in that behalf the Governor shall make available to the State Election Commission "such staff as may be necessary for the discharge of the functions conferred on the State Election Commission by clause (1). It is accordingly to be noted that in the matter of the conduct of elections, the concerned government shall have to render full assistance and cooperation to the State Election Commission and respect of latter's assessment of the needs in order to ensure that free and fair elections are conducted.

Also, for the independent and effective functioning of the State Election Commission, where it feels that is not receiving the cooperation of the concerned State Government in discharging its constitutional obligation of holding the elections to the Panchayats or Municipalities within the time mandated in the Constitution, it will be open to the "State Election Commission to approach the High Courts, in the first instance, and thereafter the Supreme Court

for a writ of mandamus or such other appropriate writ directing the concerned State Government to provide all necessary cooperation and assistance to the State Election Commission to enable the latter to fulfil the constitutional mandate.

Taking into account these factors and applying the principles of golden rule of interpretation, the object and purpose of Article 243-U is to be carried out."

3.7 State of Goa & Anr. Vs. Fouziya Imitaz Shaikh

(in Civil Appeal No.881 of 2021; (2021) 8 SCC 401)

- The State Election commission has to be a person who is independent of the State Government or he is an independent constitutional functionary to oversee the entire election process in the state for Panchayat and Municipalities.
- The importance given to the independence of a State Election Commissioner is explicit from the provisions for removal from his office made in the proviso to Clause (2) of Article 243K.
- In so far as the manner and the ground for his removal from office are concerned, he has been equated with a judge of a High Court.
- Giving an additional charge of such an important and independent constitutional office to an officer directly under the control of the state Government is a mockery of the constitutional mandate.
- It is made clear that hence forth, all State Election Commissioners appointed under 243K in India have to be independent persons who are not occupying any post or office under the control or any state Government.

3.8 Suresh Mahajan Vs. State of Madhya Pradesh & Anr

(in Writ Petition (Civil) No.278 of 2022 (2022 LiveLaw (SC) 463)

- Constitution of India, 1950; Article 243E, 243U Constitutional Mandate to hold local body elections in time inviolable- Neither the State Election Commission nor the State Government or for that matter the State Legislature, including this Court in exercise of powers under Article 142 of the Constitution of India can countenance dispensation to the contrary.
- Local Body Elections - Ongoing activity of delimitation or formation of ward cannot

be a legitimate ground to be set forth by any authority much less the State Election Commission to not discharge its constitutional obligation in notifying the Election programme at the opportune time and to ensure that the elected body is installed before the expiry of 5 (five) years term of the outgoing elected body.

3.9 S. Rukumini Madegowda Vs. The State Election Commission & Ors

(In Civil Appeal No. 6576 Of 2022; (2022 LiveLaw (SC) 766)

- A false declaration with regard to the assets of a candidate, his/her spouse or dependents, constitutes corrupt practice irrespective of the impact of such a false declaration on the election of the candidate. It may be presumed that a false declaration impacts the election.
- The Election Commission has wide powers under Article 324(1) to issue directions necessary for conducting free and fair elections, subject to the contours of law. The power of the Election Commission includes the power to issue directions where the law is silent. The State Election Commission has the same powers under Article 243-K and 243-ZA (1) as the Election Commission of India has under Article 324(1).
- No legal or normative impediment for the State Election Commission to issue directions requiring disclosure of assets of the candidate, his/her spouse and dependent associates by way of affidavit - Purity of election at all levels, be it election to the Union Parliament or a State Legislature or a Municipal Corporation or a Panchayat is a matter of national importance in which a uniform policy is desirable in the interest of all the States.

3.10 Orders of the District Courts, Delhi on Various Election Petitions Filed Under Section 15 of DMC Act, 1957 & Under Rule 91 of DMC Rules, 2012

As per Section 15, no election of a councillor shall be called in question except by an election petition presented to the court of the district judge of Delhi within fifteen days from the date of the publication of the result of the election under section 14.

Rule 91 of the Delhi Municipal Corporation (Election of Councillors) Rules, 2012, prescribes that while filing an election petition before the District Judge,

Delhi, in connection with election to the Municipal Corporation of Delhi, the petitioner is required to deposit a sum of Rs.5000/- as security of costs with the Election Commission and the receipt thereof shall have to be deposited with the Election Petition which is to be filed within 15 days of the publication of result of election in the Gazette. In the following cases, the petitioners did not deposit the security of costs and not enclosed the receipt of such deposit with the election petitions so filed before the DJ. Hence, the Hon'ble Court did not allow deposit after the due date and dismissed the election petitions:-

E.P. No. 1/22

Rekha Tyagi vs. Manisha Singh & Ors.

21.01.2023

Hence, in view of the law laid down by Hon'ble High Court and Hon'ble Supreme Court, the application for granting time to deposit the security cost is not maintainable and as the petitioner has failed to deposit the security cost alongwith election petition, the same is not maintainable in view of Rule 91 of Election Rules 2012 and is accordingly dismissed.

EP No. 01/2023

Dr. Komal Vashisht V/s SEC & Ors.

04.02.2023

Apparently, the Court has no discretion in this context to either allow deposit of the security amount or To entertain a petition which is not accompanied by the receipt for the requisite security deposit with the concerned authority. In this context, reference can also be made to the following Judgments :

Aletemesh Rein vs. Chandulal Chandrakar & Ors.,

Civil Appeal No. 931 of 1980, decided on 10.03.1981 of Hon'ble Supreme Court of India;

Sitaram vs. Radhey Shyam Vishnav & Ors., Civil Appeal No. 1200 of 2018, decided on 06.03.2018 of Hon'ble Supreme Court of India;

M.Y. Ghorpade vs. Shivaji Rao M. Poal & Ors., Civil Appeal No. 1734 of 2001, decided on 04.09.2002 of Hon'ble Supreme Court of India;

Charan Lal Sahu vs. Nandkishore Bhatt & Ors., Civil Appeal No. 2411 of 1972, decided on 01.08.1973 of Hon'ble Supreme Court of India.

In view of the discussions made above, it is evident that the petition filed on behalf of the petitioner is hit by limitation as it has been filed beyond the prescribed period as prescribed in Section 15 of Delhi Municipal Corporation Act. Not only that the relevant receipt of the security deposit has also not been annexed with the same and, therefore, in view of Rule 99 of the Rules and Section 15 of Delhi Municipal Corporation Act, the present petition is not maintainable. Accordingly, the same stands dismissed. File be consigned to Record Room.

Section 15 of the Delhi Municipal Corporation Act, 1957, prescribes that in the Election Petitions filed before the District Judge, Delhi in connection with elections to the Municipal Corporation of Delhi, the petitioner shall join all the candidates nominated for election to a ward of the Corporation and no other officer or authority viz. the State Election Commissioner or the Returning Officer. In the following election petitions, the Hon'ble Court has ordered deletion of the names of the State Election Commissioner and the Returning Officer:-

EP No. 01/22

CHAPTER-5

Delimitation of MCD Wards

Delimitation of MCD Wards

As per provisions of section 3 and 5 of the Delhi Municipal Corporation Act, 1957 (as amended till date), the powers of the Central Government for delimitation of wards in MCD were delegated to the Lt. Governor of Delhi. Accordingly, the first delimitation of wards subsequent to the creation of the State Election Commission for Delhi, took place in 1993 on the basis of provisional census figures for 1991 (as final figures of population were not available at that time). No. of seats for scheduled castes was fixed as 25 out of 134, 9 seats of out of 25 were allotted to scheduled castes women and 37 seats were allotted to women of general category. The L.G. Delhi, first notified draft delimitation order and later final order after dealing with objections and suggestions received during the specified period, was issued on 30.12.1993.

The powers of the Central Government under section 3 & 5 of the DMC Act, 1957, for reservation of wards for specified categories, were delegated to the State Election Commissioner of Delhi. The order for reservation of seats in MCD for the specified categories and specified numbers was issued by the SEC on 23.3.1994. This order was prepared and issued for the initial and 5 successive terms i.e. for 30 years to ensure rotation of reservation of seats for each category at the successive stages of general elections. But this order was challenged in the High Court of Delhi in 1994 and the Hon'ble High Court pronounced its judgment agreeing reservations for only first term i.e. for election to be held immediately after announcement of the judgment. As such, the first general to MCD under the auspices of this Commission took place on 24th February, 1997.

The reservation of seats order was to be rotated for the next general election due in 2002 but the Government of India, Ministry of Home Affairs who enjoyed the powers for reservation of seats (although these were delegated to L.G. Delhi), froze to effect rotation of seats for 2002 election and election to M.C.D. were held on the basis of reservation of seats done on 23.3.94. In pursuance

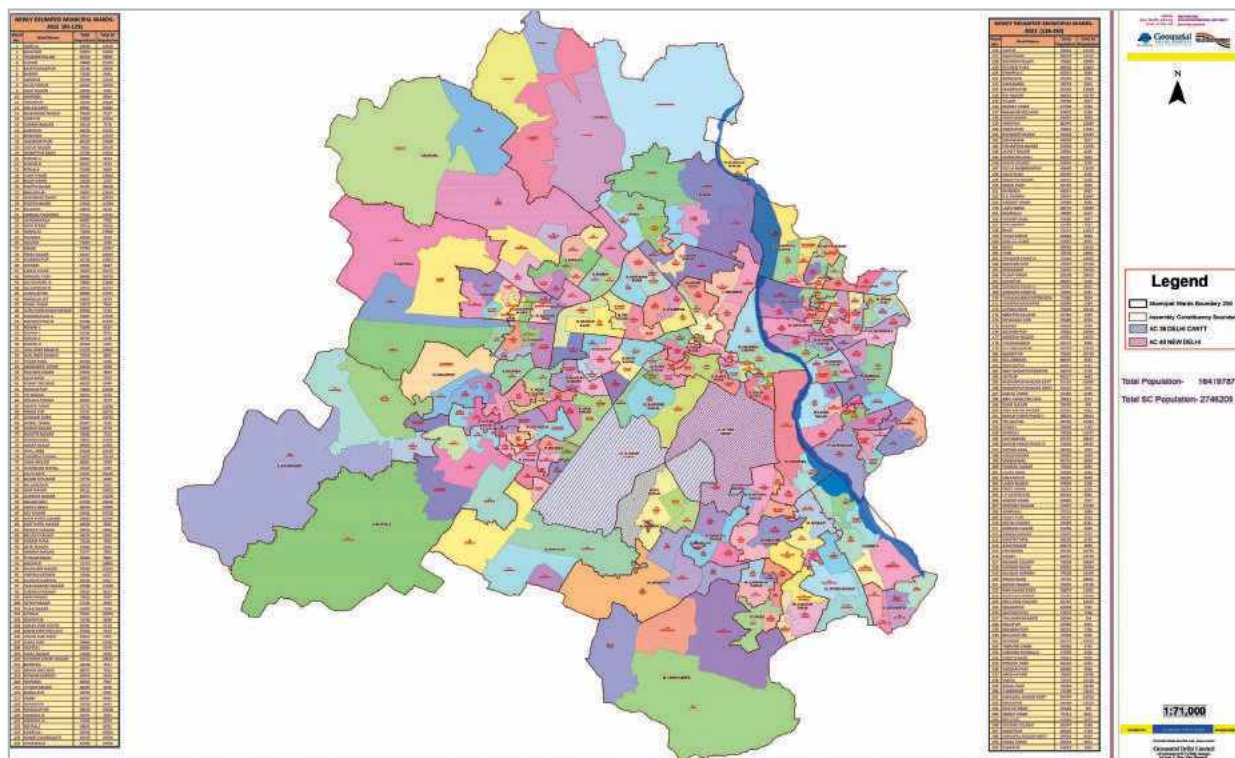

to enactment of 'Delimitation Act, 2002' and its subsequent amendment in 2003, a Delimitation Commission was constituted by the Government of India with the following members :-

Justice Shri Kuldeep Singh, a retired judge of the Supreme Court of India as its Chairman, Chief Election Commissioner or an Election Commissioner nominated by him, ex officio and State Election Commissioner of each State (for delimitation work in his State), ex officio as Members, to conduct delimitation of Parliamentary and Assembly constituencies in all the States and U.Ts.

The work of delimitation of parliamentary and assembly constituencies was completed in respect of N.C.T. of Delhi on the basis of Census figures for 2001 and final notification after disposal of objections and suggestions, was issued on 20.9.2006.

It will be significant to note that in NCT of Delhi, there are 7 Parliamentary Constituencies and 70 Assembly Constituencies (one parliamentary constituency comprises of 10 assembly constituencies). Only two Assembly constituencies fall in the areas of New Delhi Municipal Council and the Delhi Cantt. Board and all the 68 remaining Assembly constituencies fall within the jurisdiction of the M.C.D. As 68 assembly constituencies can not be equally divided into 134 wards, a proposal was initiated to increase the number of wards from 134 to 136. However, since it required amendment in the relevant provisions of the DMC Act, 1957 and it would have entailed a longer period to effect the amendment, the proposal for increase of number of wards was dropped.

The present term of M.C.D. was going to expire in March, 2007 and as such, there was not sufficient time available for delimitation and reservation of wards within the stipulated period, the delimitation of wards was started to form 134 wards, broadly dividing each Assembly constituency into two wards as far as practicable.

The Lt. Governor of Delhi, constituted a Delimitation Committee for delimitation of wards comprising of the following members: -

- State Election Commissioner as Chairman of the Committee
- An Addl. Commissioner of M.C.D. as Member
- A Joint Secretary of Delhi Government, Urban Dev. Deptt. as Member

Besides, 5 M.L.As and 5 Municipal Councillors were also appointed as "Associate Members" to assist the above said Committee in its task. The functions of the Committee right from the beginning till final order of Delimitation of Wards is issued, are enshrined in the Delhi Government Notification No.7(367)(8)/2002/UD/4593 dated 5.7.2006.

Meanwhile, an amendment was made in the DMC Act, 1957 to provide for a minimum number of wards as 272 and maximum of 300. The Committee prepared Draft Order for Delimitation of Wards for 272 wards i.e. to say that each Assembly constituency which was bifurcated into two wards, shall now have four wards in each constituency and notified it on 17th January, 2007, inviting suggestions and objections from the Public and Political Parties, etc.

The final order was issued on 7th February, 2007. Under the delegated powers of the Central

Government, the Lt. Governor of Delhi is competent to delimit the wards and to fix number of seats reserved for scheduled castes and for general women whereas powers to reserve seats for specified categories were vested with the State Election Commissioner. The SEC issued the order for reservation of wards on 17th February, 2007 which was challenged in the High Court of Delhi.

Even if there was very short time to deal with the writ petition yet the Hon'ble High Court agreed with the revised proposal of this Commission for reservation of wards and final order was notified on 6th March, 2007.

In December, 2011, the parliament passed 'The Delhi Municipal Corporation (Amendment) Act, 2011 (Delhi Act 12 of 2011)'. By said amendment act, instead of one three Municipal Corporations were provided for. Sub-section 1 of section 3 of DMC Act, 1957 provided that the name, area and limits of the three Corporations established under the said provision shall be as per Fourteenth Schedule. Sub-section 6 of section 3 as amended, provided that upon completion of each census after the establishment of Corporation, the number of seats shall be on the basis of the population of the area of the Corporation as ascertained at that census and shall be determined by the Central Government by

notification in the Official Gazette and the number of seats to be reserved for the members of the Scheduled Castes shall, as nearly as may be, bear the same ratio to the total number of seats as the population of Scheduled Castes bears to the total population of Delhi. Sub-sections 7 & 8 of section 3 were amended to provide for reservation of seats for women which shall not be less than one half of the total number of seats reserved for scheduled castes or as the case may be, the seats other than those reserved for scheduled castes.

As per Notification of the Central Government, MHA, dated 19.10.1966, referred to above, the powers to delimit the wards for three Corporations vested with the L.G., Delhi. With approval of the L.G. Delhi, the Govt. of Delhi, had issued an order No.F.7(55)/DLB/2015/Pt.1/4276-821 dated 18.9.2015 assigning the delimitation of wards of three Corporations with reference to Data of Census 2011, to the State Election Commission of N.C.T. Delhi. A total number of 272 wards were split up vide Fourteenth schedule annexed to DMC Act, 2011, into three Corporations having 104 wards in North Delhi, 104 wards in South Delhi and 64 wards in East Delhi Corporation.

After completing the entire process, the final Delimitation Order was signed by the L.G., Delhi, on 13.1.2017 and issued the same day. General Election to 272 wards of three Corporations was held on 23rd April, 2017.

The General Elections to the three MCDs were due in April, 2022. However, as the Government indicated its intention to make amendments to the DMC Act, 1957 to provide for unification of the then three Municipal Corporations of Delhi i.e. North Delhi Municipal Corporation, East Delhi Municipal Corporation & South Delhi Municipal Corporation, the said elections were deferred.

Thereafter the Parliament enacted Delhi Municipal Corporation (Amendment) Act, 2022 (10) of 2022 and notified in the Gazette of India on 18th April, 2022. The said Act has come into force w.e.f. 22nd May, 2022 vide notification dated 18th May, 2022 issued by the Central Government. As per the amendments vide said Act, the powers to delimit the wards for a unified single Corporation of Delhi and reservation of wards for specified categories of persons vest with the 'Central Government'. Further, the Act provided that the total number of seats of the Councillors and those to be reserved for Scheduled Castes shall be determined by the

Central Government. Provided further that, the total number of seats in the Corporations shall not be more than 250.

In exercise of powers conferred by section 3, 3A and 5 of the Delhi Municipal Corporation Act, 1957, the Central Government, vide order dated 08.07.2022, constituted a Committee comprising of the following members to assist the Central Government in carrying out the Delimitation of Wards and other functions incidental or related thereto: -

- **Shri Vijay Dev**, State Election Commissioner, National Capital Territory of Delhi- Chairman;
- **Shri Pankaj Kumar Singh**, Joint Secretary, Ministry of Housing and Urban Affairs, Government of India – Member;
- **Shri Randhir Sahay**, Additional Commissioner, Delhi Municipal Corporation—Member.

The said Committee was required to complete the above-mentioned exercise and submit its report within four months of date of the issue of the said letter.

The above Committee held its first meeting on 12.07.2022 and noted that during the process of previous delimitation of wards, the Government had conveyed the following to the Committee: -

- a) Number of seats for which delimitation of wards was to be done.
- b) Number of seats to be reserved for SCs.
- c) Detailed guidelines & methodology to be adopted for the process of Delimitation.
- c) The relevant census data which would form the basis for delimitation of wards.

The Committee also stressed the need of strengthening of IT and allied infrastructure in the office of SEC, Manpower assistance and Member Secretary of the Committee. Accordingly, the Committee wrote a letter dated 12th July, 2022 to the Central Government intimating that the Committee has conducted a meeting to find out the modalities for accomplishment of the Delimitation of wards. The Committee sought clarification and order of the Central Government on the following points to enable the Committee to proceed further in the matter:-

1. Number of wards to be delimited and the number of wards to be reserved for Scheduled Castes persons.
2. Guidelines for doing delimitation of wards

3. Adoption of census data for 2011 (latest census)

Subsequently, the Central Government vide letter dated 22.07.2022 intimated that the total number of municipal wards to be delimited shall be 250 and that the reservation of seats for scheduled castes shall be determined as per the provisions of the Delhi Municipal Corporation Act, 1957 based on Census data of 2011. The guidelines to be followed were also intimated. A copy of the said letter dated 22.07.2022 alongwith the Guidelines is enclosed herewith as **Annexure I**.

Having regard to the above guidelines, the Office of the Registrar General of India and Census Commissioner was requested to provide census figures for 2011 in terms of Wards/EBs along with Scheduled Castes population details. The said office was also requested to provide the maps of wards and along with Enumeration Blocks maps. Based on the statutory provisions of DMC Act 1957 and SC population, the Central Government notified the total number of wards at 250 and 42 seats as reserved for SC.

The population figures based on 2011 census were provided by the Office of the RGI, which were used to work out the Assembly Constituencies-wise population figures along with Scheduled Castes population. The said assembly-wise population was taken as the base for allocation of seats to each Assembly Constituencies comprised within the MCD's areas. The total population 1,64,18,663 of Delhi (excluding the population of NDMC and Delhi Cantt. Areas) was divided by 250 to obtain the average population of a ward in Delhi. This worked out to be 65,675. Thereafter, the population of each AC was divided by 65,675 to obtain allocation of seats in each Assembly Constituency. For this purpose, 10% plus/10% minus which is permissible under the guidelines was kept in view. Further as per guidelines, a minimum of 3 wards were provided for each AC. Thereafter, the delimitation of each AC was taken up having regard to the guidelines. Each assembly constituency was delimited into such number of wards as were allocated to it. After each AC was delimited into the wards the corresponding maps were also prepared. After doing this exercise in respect to all the 68 ACs, a consolidated map was prepared. Thereafter, the ward numbering was done starting from AC-1 to AC-70 (except ACs-38 Area of Delhi Cantt & 40 New Delhi). In the said whole process, the instructions were obtained

from the Committee on various aspects from time to time. Thereafter the draft proposal was placed before the Committee for its consideration. The Committee deliberated upon the various aspects involved in preparation of the said draft proposal and submitted its report to the Central Government on 25.08.2022.

The Central Government after careful consideration of all aspects published the Draft Delimitation-2022 in respect of 250 seats of the Municipal Corporation of Delhi as under: -

1. Wards Summary of population
2. Ward wise Enumerated Block (EB) extents and localities
3. Detailed Assembly Constituency (AC) Wise EB Extent and localities
4. Draft Maps of Individual 250 wards
5. Consolidated map of all 250 wards with Assembly Constituencies (ACs)

General public, Political parties etc. were requested to file their suggestions/ objections, if any, in respect of the said Draft Delimitation-2022 to the Delimitation Committee at the following address:-

Secretary,

The above draft Delimitation-2022 is uploaded on the website of the Commission:

Accordingly, the Delimitation Committee issued a public notice that the Draft Delimitation Order as approved by the Ministry of Home Affairs, Govt. of India has been put on the State Election Commission's website "**[sec.delhi.gov.in](http://www.sec.delhi.gov.in)**" and requested all the political parties, aspiring candidates for the General Election to the Municipal Corporation of Delhi and the general public to visit the aforesaid website and view the details of proposed delimited wards with the request to send the objections/suggestions, if any, to the Delimitation Committee latest by **3rd October, 2022, 5:00 pm**. In response to the above notice, about 1730 suggestions / objections were received from

the Political Parties, aspiring candidates and general public. The said suggestions / objections were carefully considered by the Committee in consultation with the Central Government and the draft delimitation order for wards of Municipal Corporation of Delhi was amended wherever required, feasible and justified on reasonable grounds. The Committee sent the final proposals to the Central Government on **13th October, 2022**. The Central Government, after careful consideration of all aspects, determined the extent of each of 250 wards as comprised within the Municipal Corporation of Delhi and notified the

Final Delimitation Order-2022 on **17th October, 2022**. A copy of the ward-wise summary of the said order is enclosed herewith as **Annexure II**.

CHAPTER-6

Reservation of MCD Wards

Reservation of MCD Wards

BACKGROUND NOTE

Elections to the Municipal Corporations of Delhi are being conducted under the provisions of the DELHI MUNICIPAL CORPORATION ACT, 1957 (as amended from time to time). Under the provision of section 3(6) of the said Act, wards of the Corporations have to be delimited a new on completion of each Census (which takes place after every 10 years). As per provisions of section 3 (5), (6), (7) and (8) and section 5(2)(c) (d) and (e) of the DMC Act, 1957, the wards so delimited, have to be reserved for four categories viz. scheduled castes, scheduled caste women, only women and the general category. Total population of wards assigned to the Municipal Corporation of Delhi has to be divided by the SCs population and a ratio is obtained. On the basis of this ratio, the number of SC seats is arrived at.

Initially in 1993, when there were 134 wards and quota for SC women was $\frac{1}{3}$ out of total SC seats and likewise, number of seats for only women was also fixed as $\frac{1}{3}^{\text{rd}}$ of the balance number of seats (after deduction of SC seats), there were 25 seats for SCs (out of this number 9 seat were reserved for SC women) and 37 seats were reserved only for women as $\frac{1}{3}$ of the balance seats). The number of total seats in the Corporation was increased to 272 by amending the Act, in 2007.

As per amendment made in the Act in December, 2011, the total seats were 272 but ratio of reservation of seats for SCs and women was increased to not less than 50% from $\frac{1}{3}^{\text{rd}}$ of total seats and three Corporations were constituted in place of one in the names of North Delhi, South Delhi and East Delhi Municipal Corporations in 2011. Accordingly, as per ratio of SC population with the total population (Census 2011) 20 seats for SCs allocated to North Delhi MC, 15 to South Delhi MC and 11 to East Delhi M.C. Out of this allotment, not less than 50% were to be reserved for SC women and only women. As such, 10 seats in North Delhi, 8 seats in South Delhi and 6 seats in East Delhi M.C. were allotted to

SCWs. Likewise, out of the remaining seats in each Corporation, 42 seats out of 84 balance seats in North Delhi MC, 45 seats in South Delhi MC and 27 seats in East Delhi M.C. were assigned to 'women' category and balance left for General category.

The reservation of seats was done in 2017 on the basis of highest % of S.C. population firstly in Assembly Constituency & then the wards with highest S.C. population in the relevant AC. It was also decided that not more than 2 wards in one AC should be reserved.

In 2022, as no census took place in 2021, Reservation orders for 2022 for general election to three Municipal Corporations of Delhi was issued on 25/01/2022. However, consequent to the major amendments made in the DMC Act, 1957 viz. three Corporations were unified into single Corporation and that general election to the newly formed single Corporation would only be held after delimitation of wards is completed. Meanwhile, the total number of seats was also reduced from 272 to 250 wards. It may be pertinent to note that the earlier powers delegated to the L.G., Delhi (for delimitation of wards) and to the State Election Commission (for reservation of wards) were withdrawn and reverted back to the Central Government (MHA) VIDE amendment made on 18.4.2022 (and made effective w.e.f. 22.5.22, the day on which the terms of 5 years of the existing three Corporations were expired).

As per provision of section 5(2)(e), the manner to rotate reservation of wards was not defined. Hence, on each occasion (on delimitation of wards taking 10 years and on conduct of elections every 5 years, the wards have to be reserved by rotation criteria. As such, the method of rotation and reservation was different on each occasion as the reservation of seats was to be rotated to new wards which is explained as under:-

6.1 RESERVATION IN 1994

134 wards were divided in 4 groups of 32 wards each (total 128) and 5th group was formed for 6 wards only. Odd number wards were kept unreserved. First even number ward in each group was also kept unreserved. Out of even number wards of each group, 2,4,6,7,9,11,12,14,16 wards were reserved for women. Remaining even number wards in all groups were reserved for S.Cs. Out of all wards reserved for SCs, first and thereafter every third ward was reserved for SCW. The whole method and details for reservation of wards is contained in Commission's notification dated 21.9.95.

6.2 RESERVATION IN 2001

No reservation or rotation of seats took place in 2001 for elections to be held in 2002 as per Notification dated 27.11.2001 issued by the Central Govt., MHA which had freezed the process for reservation and rotation of seats for 2002 elections till next delimitation of wards would have taken place.

6.3 RESERVATION IN 2007

A list of 272 wards was prepared in sequence with descending order of percentage of scheduled caste population (on ratio based on total population divided by SC population). This list was prepared also in terms of the Assembly constituencies in which the wards were located. 2 wards in every assembly constituency were to be reserved for SCs. As such, 15 ACs will have 2 seats for SCs. The first of these 2 seats in each AC will be reserved for scheduled caste woman. 16th seat to go to SCW will be falling in the last AC have only one SC seat. Every 3rd seat out of 226 balance seats (unreserved) will be reserved for women and 75th seat will go to ward 271 and 76 seats for SCW to go to ward 272 Sonia Vihar.

6.4 RESERVATION IN 2012

There were three Corporations in Delhi each having 104 wards in North Delhi MC, 104 wards in South Delhi MC and 64 wards in East Delhi MC. Out of these numbers, 20 seats were allocated to North Delhi, 15 to South Delhi and 11 to East Delhi M.C. for scheduled Castes category. Out of these numbers, 10 wards in North Delhi, 8 wards in South Delhi and 6 wards in East Delhi MC were allocated for scheduled castes women being not less than 50% of the total seats allocated for SC category. Out of remaining 84 seats in North Delhi, 89 in South

Delhi and 53 in East Delhi MC were left unreserved. Out of these numbers, 42 seats were allocated for women in North Delhi, 45 in South Delhi and 27 in East Delhi MC. And balance number of seats viz. 42,44 and 26 were kept for General category respectively for each of the three Corporations. The method adopted for reservation of seats was that out of 26 Assembly constituencies in North Delhi, 20 were selected with highest percentage (in descending order) of scheduled castes in North Delhi, 15 in South Delhi MC and 11 in East Delhi M.Cs. Out of these selected A.Cs, the first ward with highest SC population was selected and reserved for SCs and so on in all the three Corporations. These selected wards were then taken in sequence and No.1,3,5 and so on were reserved for SCW and those falling in No.2,4,6 and so on were reserved for SCs in every Corporation. Thereafter, a list of wards in sequence minus those reserved for SC category, was prepared and wards falling at s.no. 1,3,5 and so on were reserved for Women category and remaining falling on numbers 2,4,6 and so on were assigned to the General Category.

6.5 RESERVATION IN 2017

All the 272 wards of three Municipal Corporations of Delhi, were delimited on the basis of Census 2011 vide L.G's order dated 13.1.2017. A list of wards with highest percentage of SC population was prepared in each of the three Municipal Corporations. First 20 wards on top were taken for SC category in North Delhi, 15 in South Delhi and 11 in East Delhi M.C. Out of these numbers, 10 wards for SC women category were reserved in North Delhi, 8 in South Delhi and 6 in East Delhi M.C. on the basis of number of wards in each list from top to bottom falling at sequence of 1,3,5 and so on and those falling at number 2,4,6 and so on for Scheduled Castes. The quota of reservation is 'not less than 50% of the total SC seats. Out of the remaining number of seats, the wards were taken in sequence in each Corporation and those falling at sequence of 1,3,5 & so on were reserved for 'women' category and those falling at no. 2,4,6 & so on went to General category.

6.6 RESERVATION IN 2022 (JANUARY-2022)

For reservation of 272 wards for three Corporations and complying to the legal provisions for rotation of reservation of seats, the fixed number of wards i.e. 20 for North Delhi, 15 for South Delhi and 11 for East Delhi M.C. reserved for scheduled castes category in 2017, were excluded and out of the

remaining wards, the wards with highest percentage of scheduled castes population next to the last ward reserved in 2017 were taken and reserved for elections (to be held) in 2022. After deducting these reserved wards, in the remaining list of wards in sequence was prepared, the reservation status given in 2017 was reversed i.e. the wards reserved for women category were now reserved for General category and vice versa.

6.7 RESERVATION IN 2022 (OCTOBER -2022)

The Central Government, MHA, has unified three Municipal Corporations of Delhi into a single Corporation under the Delhi Municipal Corporation Amendment Act, 2022. notifying the same in the Gazette on 18.5.2022 (made effective w.e.f. 22.5.2022). The single Corporation shall have 250 wards. It is also ordered by the Central Government, MHA, that 250 wards shall be delimited on the basis of 2011 Census (as no Census took place in 2021 due to COVID 19. After completing all processes, publication of draft Delimitation Order for inviting objections etc., disposal of all objections and the final Delimitation Order was issued by the Central Government, MHA on 17.10.2022.

On the basis of Final Delimitation Order, the reservation of wards for specified categories viz. Scheduled Castes, Scheduled Castes women, only women and the general category, was to be done as per provisions of section 3 and 5 of the Delhi Municipal Corporation Act, 1957 as amended, by the 'Central Government' MHA. The Central Government had delegated its powers in this behalf to the State Election Commission of NCT of Delhi vide their notification F.No.14011/04/2022-Delhi II dated the 17th October, 2022 and directed the State Election Commission, Delhi, to complete the work of reservation of wards. Accordingly, the Commission had formulated its proposal for reservation of wards as under: -

1. The number of wards to be reserved for scheduled castes category was to be ascertained on the basis of ratio to the total number of seats as the population of Scheduled Castes bears to the total population of Delhi. Thus, the total number of seats to be reserved for scheduled castes category came to 42. As the total number of seats to be reserved for scheduled castes

women should not be less than one half of the total number of seats as provided in sub-section (7) of section 3 of the DMC Act, 1957, 21 seats were kept reserved for SC Women out of 42. The seats to be reserved for only women has to be ascertained on the basis of one half of the total number of seats other than those reserved for scheduled castes category. The number of such seats came as 104 out of 208 seats left.

The reservation of seats was done on the following basis: -

- i) A list of 250 wards showing also the relevant Assembly constituency, was prepared with percentage of scheduled castes persons in descending order and 42 wards were reserved for persons belonging to Scheduled Caste category on the basis of highest percentage of scheduled castes population in those wards. A list of such selected 42 wards was then prepared. Out of the aforesaid list of 42 wards reserved for persons belonging to scheduled castes category, not less than 21 wards have to be reserved for Scheduled Caste Women. The list of 42 wards is arranged in sequence of ascending wards numbers. 21 Wards falling in sequence number 1,3,5 and so on, of this ascending ward number list are reserved for 'women belonging to Scheduled Castes'. The remaining 21 wards falling in sequence number 2,4,6 and so on of ascending ward number list were reserved for persons belonging to 'Scheduled Castes' category.
- ii) Out of the list of number of wards in serial order, other than those reserved for scheduled castes category of persons, 104 wards were taken for 'women' category on the basis of ward numbers falling in sequence of 1,3,5 and so on and those falling in this list in sequence of 2,4,6 and so on were taken out for 'general' category.

The final order for reservation of wards for the Corporation was prepared and notified on 20.10.22 vide No.F.4(307)/SEC/LAW/2022/163.

Delhi High Court Judgements on Reservation Orders of State Election Commission

All Cases Decided In Favour of The State Election Commission particularly the Manner of Reservation Adopted – Extracts of Judgments: -

Legal Provisions

Section 5 (2) (e) of the DMC ACT, 1957 As Amended Till Date

“ The Central Government formerly it was the State Election Commission, Delhi to whom the powers to reserve the wards by rotation was delegated initially by the Govt. of India, MHA and later by amendment in the Act in 2011, the words ‘Central Government’ were substituted by the words ‘Government of Delhi’ as then powers were delegated by Government of Delhi to the State Election Commission who shall, by order in the Official Gazette, determine the manner in which seats shall be rotated under sub-section (6) and (8) of section 3.”

Reservation orders for seats in the Municipal Corporation were challenged every time in the High Court of Delhi – The Hon’ble Court had been accepting the Reservation Orders all the time. In Regard to the Manner of Reservation Adopted by The Commission every time, The Hon’ble Court had Categorically accepted that as no manner has been Defined in the Law. Hence the manner adopted by SEC is accepted with the following comments in each case: -

In 1995 – In Case ‘Hem Raj Arya and Ors. Vs. Election Commission, Delhi.

“Para (14) – We are of the view that since no malafides on the part of the respondents have been pleaded or proved in adopting the stated method of reservation of seats, it is not for this court to go into the minute details of the manner of reservation particularly when the Court is neither conceived with any statutory formula which had to be applied to test the correctness of the method adopted nor any precise fool proof mathematical formula can be spelt out for the said purpose. The method adopted for reservation of wards cannot be struck

down merely because another method would be more fairer, scientific or logical. The court should interfere only if the impugned action is patently arbitrary, unconsciously unfair, discriminatory or malafide, which as already noted, is neither pleaded nor proved. In that view of the matter we do not find any ground to interfere. There is no merit in the petition and the same is accordingly dismissed. No costs.”

IN 2002: The Central Government, MHA, vide Notification No.F.13(14)/2001/UD dated 27.11.2001, freezed the rotation and reservation of wards for 2002 elections.

In 2007 – In WP(C) 1331/2007 – Remesh Dutta & Ors. Vs Sec.

In para 38 – “Accordingly, I hold that these writ petitions are maintainable. I also hold that there is no statutory requirement for disclosing the manner of allotment of seats reserved for the Scheduled Castes or women in the notifications issued under section 5(2) of the DMC Act. However, such a manner must be discernible from the records of the Central Government (including its delegates). The manner must be reasonable and not arbitrary or discriminatory or mala fide. The manner indicated in the present case of identifying seats reserved for scheduled castes based on the twin criteria of ranking seats in decreasing proportion of population and limiting them to not more than two per assembly constituency cannot be interfered with as it is neither arbitrary nor discriminatory or malafide. Even the criterion of allotting every third seat from the list of wards arranged as per the serial numbers of the wards for women cannot be questioned.”

In 2012 - in WP (C) 771/2012 Vikas Vs SEC & Others - the Hon'ble Court had rejected all the pleas of the petitioners with the remarks "we find nothing wrong with the action of the SEC qua the mode and manner of reservation of seats for the SC and the women and, thus, dismiss the writ petitions leaving the parties to bear their own costs."

IN 2017 – W.P.NO.(C) 1291/2017 – We the Citizens through its Secretary Vs. Union of India & Ors (Including Sec, Delhi).

In para 51 – “In view of the aforesaid position, we do not find any merit in the present writ petition for we find that the SEC has followed a rational criterion in the de-limitation exercise in reservation of wads for the Scheduled Caste population as well as for women candidates in both General wards and wards reserved for Scheduled Castes. The criterion adopted is after wide consultation and discussion with the stakeholders including political parties and members of the public. There is no violation of the principle of rotation of seats as stipulated in sub-section (6) and (8) of Section 3 and sub-section (2) of the Act and Article 243T of the Constitution.”

In 2022 – In W.P.(C) 1892/2022 & CM Appls 5458-59/2022 – Pankaj Sharma Vs Sec Delhi & WP (C) 2027/2022 & CM Appl 5791-92/2022 – Manoj Kumar Vs Sec Delhi.

Paras 45 & 46. – Para 45 “The Division Bench observed in “We The Citizens Through its Secretary” (supra), that it is not for the Courts to interfere with the criteria adopted by the competent authority in this regard. Since, there is no prohibition in law pointed out by the petitioners to the implementation of the policy of rotation, the challenge raised by the petitioners is bound to fail., Pertinently, the petitioners have not been able to point out any arbitrariness or lack of application of mind on the part of the SEC, either in the manner of determination of the number of reserved seats for Scheduled Castes or women candidates- which is based on the latest Census figures available (since no Census was conducted in 2021 due to the pandemic), or in the matter of identification

of the seats/wards which may be reserved for the Scheduled Caste/women candidates.

Para 46 – “We may also take note of the observations made by the Division Bench in para -40 of the aforesaid decision, which reads as follows: -

“40. However, it would be for the authorities to consider notifying the method or manner of rotation of seats in terms of clause (e) to Section 5(2), when they carry out a delimitation exercise and issue a notification for reservations of the wards/seats for Scheduled Castes as well as women candidates. If the manner and method of rotation is specified it would possibly prevent disputes and controversies of this nature and would ensure that there is proper rotation of reserved seats, which should be encouraged and is required under Article 243T as well as sub-sections (6) and (8) to Section 3 and, Section 5 (2) of the Act. The method indicated is not final and can be always modified and changed, if required, as is permitted and allowed by Section 6 of the Act.”

It may be seen from above that the Hon’ble Courts have admitted that though the provision for rotation of seats exists in the Constitution as well as in the DMC Act, 1957 (as amended) yet the manner for rotation of reservation of seats has not been prescribed. It has been left to the authorities concerned as authorized under the election law or powers delegated by the concerned authorities. The Hon’ble Courts, however, emphasized that the criteria adopted should be transparent, fair, not arbitrary, mala fide, discriminatory and leaves no chance for pick and chose the wards for such reservation which may prove favour to a person or persons.

CHAPTER-7

Preparation of Electoral Rolls

Preparation of Electoral Rolls

Electoral Rolls for Elections to The Municipal Corporation of Delhi

Section 7E of the Delhi Municipal Corporation Act, 1957 (as amended till date) provides that electoral rolls for elections to the Municipal Corporation of Delhi, have to be prepared by the State Election Commission under the provisions of the aforesaid Act and the rules made there under namely **"Delhi Municipal Corporation (Preparation of Electoral Roll) Rules, 1975** as notified by the Administrator of Delhi vide Notification No.F.2(30)/73-LSG dated the 19th March, 1975. It is also provided in section 7E *ibid* that the Election Commission can also adopt the electoral rolls of Assembly Constituencies as are in force for the time being, for elections to the Municipal Corporation of Delhi. As such, since first general election to the MCD held on 24.2.1997, this Commission has been adopting the electoral rolls of Assembly constituencies for use in the elections to the MCD

Rule 27 of the Delhi Municipal Corporation (Preparation of Electoral Roll) Rules, 1975, provides **"Adoption of Electoral Rolls of Assembly Constituencies:- Notwithstanding anything contained in these rules it shall not be necessary to prepare afresh or revise the roll of a ward before a General Election to the Municipal Corporation or a bye-election thereto from a ward if an order under the proviso to Section 7E as made by the Election Commissioner directing the adoption of the Electoral Roll of the Assembly Constituency for the time being in force as relates to the ward or wards and the roll so adopted in pursuance of the said order shall be deemed to have been prepared afresh or revised and finally published in accordance with the provision of these rules."**

Section 7G(3) of the DMC Act, 1957, provides **"No amendment, transposition or deletion of any entry shall be made in the electoral roll prepared by the Commission or in the electoral rolls of Assembly constituencies adopted by the Commission, as the case may be, can be made after the last date for making nominations for an election in that ward and before the completion of that election"**

As a regular practice, the Election Commission of

India directs for annual revision of electoral rolls with reference to the 1st January of the year in which the rolls are revised, to be undertaken by the Chief Electoral Officer, Govt. of Delhi (for NCT of Delhi) commencing from November to January next year (the year for which the rolls are revised). As such, these rolls are adopted by the Commission for elections to the Municipal Corporation of Delhi, The adoption is done well before the elections which could be utilized for the upcoming elections and that the intending candidates could get the rolls and certified copy of relevant extracts to enable them to file the same with their nomination papers to prove that they stand voters in the current electoral roll. On every occasion of an election to MCD, the Chief Electoral Officer is requested to arrange supply of electoral rolls revised for the current year. However, CEO is also advised to arrange supply of supplements containing additions etc. in the electoral roll as per applications received under section 22 and 23 of the Representation of the People Act, 1950 which pour with the concerned Electoral Registration Officers throughout the year. It is also intimated to CEO that the Commission will accept such supplements only **upto the last date for filing nominations for elections to the MCD.**

It may be clarified that since the inception of the Commission in 1993, the electoral rolls of Assembly constituencies in Delhi are being adopted by the Commission for use in elections to the MCD and no difficulty or problem has never arisen in this context. These adopted electoral rolls are first bifurcated into relevant wards as per orders of Delimitation of Wards (latest), soft copies of each ward prepared and used by the Returning Officers of the wards for the elections and also sold to the intending candidates and the general public.

The SEC adopted Electoral Roll of Assembly Constituencies of Delhi for use in MCD general elections, 2022 vide Notification No. F4(2)/SEC/LAW/2022/7240 Dt. 19/10/2022. **(Annexure-IV)**

CHAPTER-8

Election Symbols (Reservation and Allotment) Order

Election Symbols (Reservation and Allotment) Order

ELECTIONS TO THE MUNICIPAL CORPORATION OF DELHI - ALLOTMENT OF SYMBOLS TO THE CONTESTING CANDIDATES - PROVISIONS OF RULE 15 OF THE DELHI MUNICIPAL CORPORATION (ELECTION OF COUNCILLORS) RULES, 2012.

The symbols are allotted to the contesting candidates in accordance with the provisions of Rule 15 of the Delhi Municipal Corporation (Election of Councillors) Rules, 2012 and the Symbol Order issued by the Election Commission from time to time - the latest being notified vide No.F.4(1)/OSD/legal/SEC/2022/7492 dated the 2nd November, 2022. Rule 15 reads as under:-

"Rule 15 - Symbols.-(1) For the purpose of election to Municipal Corporation of Delhi, the National parties and State parties for the National Capital Territory of Delhi, as are recognized for the time being by the Election Commission of India in the National Capital Territory of Delhi, under section 29A of the Representation of the People Act, 1951 and the rules and procedure made there under, shall be recognized as such by the Commission. The Commission shall recognize the parties and adopt symbols subject to the following conditions, namely:-

- a) The National Parties and the State Parties recognized by the Election Commission of India shall be recognized under the very same name by the Commission.
 - b) The National Parties and the State Parties recognized by the Election Commission of India shall use only those very symbols which are reserved for them by the Election Commission of India and not any other symbol, and
 - c) The facsimiles of the symbols thus allowed shall not be different from the facsimiles prescribed and recognized by the Election Commission of India.
- 2) A candidate shall be deemed to have been set up by a political party only if the candidate

has made a declaration to that effect in the nomination paper first filed by him and duly supported by all authorized to such effect by the party concerned.

- 3) The Commission shall also adopt free symbols as have been notified by the Election Commission of India for the time being in respect of elections to Lok Sabha and Legislative Assembly for the National Capital Territory of Delhi.
- 4) The Commission shall specify by notification in the official Gazette, the symbols that may be chosen by candidates and the restrictions to which their choice shall be subject.
- 5) Where at any such election, more nomination papers than one are delivered by or on behalf of a candidate, the declaration as to symbols, made in the nomination paper first delivered, and no other declaration as to symbols, shall be taken into consideration under rule 24 even if that nomination paper has been rejected.
- 6) A failure to complete, or a defect in completing the declaration as to symbols in a nomination paper shall not be deemed to be a defect of a substantial character within the meaning of sub-rule (4) of rule 22."

The Symbol Order is prepared as per above provisions and issued on every occasion the latest being on 2.11.2022 which is enclosed as **ANNEXURE-V**

A copy of the final Symbol Order is dispatched to all National and State Political Parties as are recognized by the Election Commission of India (latest symbol order of ECI is utilized for the purpose) so that State Political Parties outside Delhi (in other States and UTs) may also be able

to participate in elections to the MCD if they so intend. Every State Party if it intends to field their candidates for MCD election, has to inform the Election Commission, NCT of Delhi within 3 days of issue of notification for calling upon the electorates of the wards to elect councillors and only then the reserved symbol of such a party is allotted to its candidates contesting the MCD election. However, unlike to National and State Party of Delhi, the candidates fielded by State Parties other than Delhi, have to file nomination papers with **10 proposers who should be electors in the same ward.**

As per above provisions of law, this Commission adopts only National and State Political Parties as are recognized as such by the Election Commission of India as on date. Rest all candidates are treated as 'INDEPENDENTS'. There is another class of political parties i.e. '**Registered but unrecognized political parties with the Election Commission**'. As per ECI's directions, such parties are allotted

a particular symbol as 'one time allotment' as these have to prove that they had contested the election to the State Legislative Assembly, secured a prescribed percentage of voting and returned specified number of elected member which are first steps for getting recognition in a State. Some such parties also approach the Commission to allot them a reserved symbol as they are 'registered parties with the ECI' but as there is no such provision in the above-mentioned rule i.e. Rule 15, they are refused a 'reserved symbol' and their candidates are allotted a symbol out of free symbols of the ECI. Such candidates have to file nomination papers with 10 proposers, voters of the same ward, and they are not given any preference over the Independent candidates. Some such parties filed writ petitions in the High Court against the orders of the Returning Officer/SEC but the Hon'ble Courts have not acceded to their request in consideration of the present law.

However, the Commission, for the first time ever, prepared integrated Electoral Rolls after incorporating all additions/deletion till the last date of nomination i.e. 14.11.2022. As such, no separate manual deletion was required at the level of Returning Officer.

11.2 Facilitating Ease of Voting for Persons with Disabilities and Electors over 80 Years

The Commission had issued instructions to ensure that as far as practicable, all polling stations should be located at ground floor and sturdy ramps should be provided for the convenience of disabled electors.

Special emphasis was laid by the Commission to facilitate hassle free & pleasant voting experience by PwDs and citizens over 80 years. The list of 72867 PwDs and around 2,00,000 citizens of age over 80 years was made available by the Commission for use by ROs for facilitating postal ballots by these voters.

The Commission roped in the services of NCC/NSS/ Scouts and Guides for aiding PwD voters on the day of poll. Arrangements were made for wheel chairs, ramps, toilets at the polling stations to facilitate PwD voters to cast their vote. The Commission also sensitized the concerned authorities manning the polling booths to escort the PwD voters and make available facility of transport /e-rickshaws wherever found desirable and feasible. The Commission had directed all DEOs/ROs to ensure that facilities for PwD, in addition to the Minimum Assured Facilities, are in place at the required polling stations.

Leaving no stone unturned to ensure Participation of PwDs and voters of age over 80 years, the Commission had also extended the facility of postal ballots to these voters which obviated the need for physically visiting the polling stations. A dedicated team of officials for distribution and collection of postal ballots was deployed by the ROs for this purpose.

11.3 Postal Ballots

The Commission laid special emphasis on ensuring maximum use of postal ballots by service personnel who are deployed on election related duties. In this regard, the Commission had appointed a Nodal Officer to facilitate the processing of postal ballots. Since, a significant fraction of election functionaries consist of police personnel, special care was taken to ensure that all such police personnel who are on election duty are facilitated to enable them to cast their vote with ease and convenience. Delhi Police after consultation with the Commission had appointed a DCP level officer as Nodal officer to co-ordinate and facilitate casting of votes through postal ballots.

11.4 Randomization of Polling Parties

The Commission had prepared around 32000 polling/ counting /reception parties for conduct of elections. In order to ensure fairness in deployment of the polling staff, randomization of polling parties was done on two levels and actual deployment was informed to the parties only a day prior to poll.

The randomization of polling parties entailed collection of data of around 1,00,000 polling staff including their names, designation, phone number etc. All this data was uploaded on the election software of the Commission and the first randomization of parties was done using this software wherein personnel of the polling parties were allotted to the concerned Returning Officers but no polling station was allotted to the parties.

In the second level randomization which was done only a couple of days before the poll day, polling station wise allocation of polling parties was done through the Commission's portal.

11.5 Distribution and Randomization of EVMs

Around 56000 EVMs were sourced by the Commission for conducting elections. A total of 37810 EVMs (CU-19000 & BU-18810) were issued to the Returning Officers by the Commission

which were deployed at polling stations and also kept for reserve stock/training purpose. Similar to the randomization of polling parties, two level randomizations were also undertaken by the Commission for distribution of the EVMs to the polling staff.

The first level randomization was done by the Commission wherein ward wise allocation of the EVMs was done. The second level randomization of the Electronic Voting Machines (EVMs) was conducted by the respective District Election Officers on 26.11.2022 in the presence of General Observers appointed by the State Election Commission, Delhi. The representatives of Political parties and contesting candidates were also present during the process. After the second randomization of the EVMs, polling station wise allocation of the EVMs was done.

11.6 Polling Stations

The Commission upgraded the status of facilities at the Polling Stations from the earlier concept of Basic Minimum Facilities (BMF) to Assured Minimum Facilities (AMF). Accordingly, instructions were issued to the Commissioner of the Municipal

Corporation of Delhi and other concerned agencies to ensure that every Polling Station is equipped with Assured Minimum Facilities (AMF) like drinking water, shed, toilet, ramp for the physically challenged voters, a standard voting compartment etc. for the convenience and facilitation of voters.

The Commission had decided to set up at least one Model Polling station and one Pink Polling Station in each assembly constituency. Accordingly, 68 Model Polling station were set up to give a pleasant experience to the voters. Special waiting areas, helper to facilitate voting by senior citizen, Mobile deposit facility etc were provided at these Model Polling stations. 68 Pink Polling Stations were also set up to be manned exclusively by women officers/ officials. Facilities such as feeding room for lactating mothers/ creche facility for small kids/ candies for kids were provided at the Pink Polling Stations.

11.7 Law and Order, Security Arrangements and Deployment of Forces

The conduct of elections involves elaborate security arrangement by Delhi Police. Chief Secretary, Delhi,

Commissioner of Delhi Police, Additional Secretary (UT), and Joint Secretary (UT) of Ministry of Home Affairs were involved in putting in place extensive security arrangements. 170 Central Armed Police Forces (CAPFs) were deployed to supplement the local police force in ensuring a peaceful and conducive atmosphere for the smooth conduct of elections in a free, fair and transparent manner. Besides, 16600 Home guards (11000 from Uttar Pradesh, 3000 from Rajasthan and 2600 from Haryana) were requisitioned by the Commission and

deployed at the polling stations/counting centres/ strong rooms.

Check posts were set up to check inter-state suspicious movement of men and material. On the basis of inputs received from Delhi Police and District Election officers, the Commission prepared a list of 3360 Sensitive/Hyper sensitive polling booths at 493 polling locations across the city and deployed 493 Micro-Observers to keep a close watch on poll day.

For the first time ever, the Commission had arranged for installation of facility of web casting at critical polling booths to monitor the proceedings at these stations so as to take timely action in case of any untoward incidence.

Taking into cognizance of communally sensitive situation in some parts of the city, the Commission also had deployed drones for aerial surveillance at all sensitive polling stations which proved to be an effective deterrent and no violence or disturbance was noticed in these areas.

11.8 Voter Awareness Media Campaign

The Commission pressed hard to enhance its interaction and involvement with all the

stakeholders in the electoral processes by using different media platforms. Motivate and inspire the voters, the Commission launched an intensive voter awareness multi-media campaign through the print/ electronic / digital, outdoor and social media having following highlights:

- Theme song: "लोकतंत्र का सम्मान करें हम आओ मतदान करे हम"
- Radio jingles on FM channels
- AVs on TV channels

The Commission noted that in the interest of free & fair poll which are uninfluenced & where electors are able to vote in an unbiased manner, it is imperative to regulate Opinion and Exit polls in the spirit of provisions enshrined in the RP Act, 1951.

Accordingly, in exercise of the powers vested under Article 243K read with Article 243ZA of the Constitution & Section 7 of the DMC Act, 1957,

11.10 IT Enablement of MCD Elections

The MCD elections were largely driven by use of innovative IT technologies which not only speeded up the process but also ensured that human errors are omitted. The Commission had adopted IT technology/customized software for undertaking all major election activities like Internal Management of EVMs, formation and deployment of polling parties/ reception parties/ Counting parties/ Sector Officers, preparation of polling stations/finalization of electoral rolls.

The Commission launched the Nigam Chunav Delhi app (available on android play store and apple Appstore) which has been integrated with the portal of the Commission. The 'Nigam Chunav Delhi' mobile App offered the convenience to all voters to find information on following:

- e. the manner in which seats shall be rotated under sub-section (6) and (8) of section 3.

3. Principle and Guidance for Delimitation

i). All the wards are to be delimited on the basis of 2011 census. The census figures of 2011 as published by the Census Commissioner/ Registrar General of India, are, thus, alone to be taken into account for this purpose.

ii). The wards shall be so delimited that population (on the basis of 2011 census) of each ward in the corporation shall, so far as practicable, be the

same throughout the area of the corporation. All the wards shall, as far as practicable, be geographically compact areas and in delimiting them regard shall be had to the physical features, existing boundaries of administrative units, facilities of communication and public convenience.

- iii). The total population of the corporation (2011 Census) shall be divided by the total number of wards and average population of each ward shall be obtained. This average shall be the guiding factor for delimiting the wards in such a manner that each ward, so far as practicable, has equal population limiting the number of Wards not more than 250.
- iv). As each Assembly constituency shall be divided into minimum three wards, the principle of average population may not be maintained throughout; therefore, a deviation to the extent of plus or minus 10% from the Corporation area average population may be acceptable to the Central Government, if the geographical features, means of communication, public convenience, contiguity of the areas and necessity to avoid Freaking of administrative units so warrant.

- v). Boundary of a ward in the Corporation should be carved within the boundary of the relevant Member of Legislative Assembly constituency and shall not cross it.
- vi). The Committee shall first prepare DRAFT DELIMITATION ORDER for the Municipal Corporation, showing the number and extent of wards in the Corporation, maps of each ward indicating clear boundaries on the North, West, East and South of a ward in the Corporation.
- vii). After the approval of the draft Delimitation Order by the Central Government, the Committee shall give the matter wide publicity through press media etc. for inviting objections and suggestions. The objections and suggestions shall be disposed of with prior approval of the Central Government. The final proposal shall be sent to the Central Government for consideration, approval and publication in the official Gazette.
- viii). After the publication of the Delimitation Order in the Gazette, if any question arises as to the interpretation of the Order, as to the boundary or extent of the boundary, the matter shall be referred to the Central Government.

**STATE ELECTION COMMISSION
NATIONAL CAPITAL TERRITORY OF DELHI
NIGAM BHAWAN: KASHMERI GATE, DELHI-110006.**

Dated the 19.10.2022

NOTIFICATION

In supersession of this Commission's notification of even number dated the 31st January 2022, regarding adoption of electoral rolls of Assembly Constituencies of Delhi for use in general election to the three Municipal Corporations of Delhi, the following notification is issued by the Commission:-

No. F.4(2)/SEC/LAW/2022/7240 WHEREAS general election to the unified single Municipal Corporation of Delhi, is scheduled to be held shortly under the provisions of the Delhi Municipal Corporation Act, 1957 as amended from time to time and the Rules made there- under, to elect councilors to constitute the Municipal Corporation of Delhi,

AND WHEREAS the State Election Commissioner of the National Capital Territory of Delhi is satisfied that instead of preparing fresh electoral rolls for the election of Councilors of the Municipal Corporation of Delhi as detailed above, it would be sufficient to adopt the electoral rolls of the respective Assembly Constituencies of the National Capital Territory of Delhi, as are comprised within the 250 wards of the Municipal Corporation of Delhi and as have been updated with reference to "1st January, 2022" as the "qualifying date" by the Chief Electoral Officer, Government of NCT of Delhi and are in force for the time being. Thus, preparation of fresh electoral rolls for the above-said wards by this Commission would entail considerable time besides incurring additional expenditure in this respect which can be avoided.

NOW, THEREFORE, in exercise of the powers conferred upon the Election Commission under the proviso to Section 7E of the Delhi Municipal Corporation Act, 1957 as amended from time to time read with Rule 27 of the Delhi Municipal Corporation (Preparation of Electoral Rolls) Rules, 1975, I, Dr. Vijay Dev, State Election Commissioner of the National Capital Territory of Delhi, hereby direct that the electoral rolls of such Assembly Constituencies, for the time being in force and as these relate to the above-mentioned 250 wards of the Municipal Corporation of Delhi, shall be the electoral rolls for the said Municipal Wards, for the purpose of the ensuing general election to the Municipal Corporation of Delhi.

The amendments made/to be made in the above-mentioned electoral rolls of Assembly Constituencies subsequent to the final publication of electoral rolls prepared for the year 2022, under Section 22 and 23 of the Representation of the People Act, 1950, till the last date for filing nominations for the aforesaid general election and as these are being adopted for general election to the Municipal Corporation of Delhi shall also form part of the Electoral Rolls of respective Wards of the said Corporation as have been adopted for use in the above-mentioned general election to the Municipal Corporation of Delhi.

The Commission has, in the past, issued various instructions from time to time regarding applicability of Model Code of Conduct on prevention of misuse of vehicles during elections. For convenience of all concerned, these instructions have now been consolidated for observance during the period when the Model Code of Conduct is in force. These instructions regarding restriction on misuse of vehicles during elections have been issued under the Constitution and the DMC Act 1957 as amended and all other powers enabling the Commission in this behalf.

During Polls:

- i) Corrupt practices are listed in Section 22 of the DMC Act, 1957 (As amended) and include Bribery, appeal to or use of religious Symbols, also statements of false facts, using & hiring vehicles not permitted by instructions, consumption of liquor in meetings etc.
- ii) For an election to a ward of the Municipal Corporation of Delhi on the date of poll in that ward each contesting candidate is entitled to:
 - a) one vehicle for his own use;
 - b) one vehicle for use of his election agent.
 - c) in addition, one vehicle for use of party workers.
- iii) The permits for the vehicles indicated above will be issued by the Returning Officer/concerned officer. The candidates are required to register their vehicles with the Returning Officer concerned and display the permits issued by the Returning Officer on the wind screen of the vehicles. No other vehicle shall be allowed to be used by the leaders of the political parties including Ministers, workers, agents and sympathizers of any candidate. No exception shall be made, irrespective of the status of the candidate.
- iv) It is clarified that, henceforth, the candidate or his agent or party workers or workers will be allowed to use only four/three/two wheeler vehicles i.e. cars (of all types) taxies, auto rickshaws, rickshaws and two wheelers. In these four wheel vehicles not more than 5 persons including driver will be allowed to move on the day of poll. It is further clarified that on the day of poll no other person will be allowed to use the vehicle allotted for candidates or his election agent's use.
- v) These instructions on plying of vehicles will be applicable on all two wheelers like motor cycles and scooters (except bicycles) also and shall be made applicable for a period of 24 hours before the time fixed for closure of poll and till the completion of poll. These restrictions would not, however, apply

to any Govt. servant on duty or in case where such vehicle is being used to transport a patient or old/ infirm person.

- vi) Penal action, under Chapter IXA of the Indian Penal Code shall be taken against any one offending the above directions, in addition to action under the Motor Vehicles Act. All vehicles being used in violation of these directions shall be confiscated.
- vii) There is, however, no intention on the part of the Commission to put a complete ban on all vehicular traffic on the polling day and thereby create difficulties or cause harassment to the public. For genuine bona fide use for purposes other than election, the following types of vehicles shall also be allowed to be plying on the day of poll and there will be no exception:
 - a) Private vehicles being used by the owners for their private use, not connected with election;
 - b) Private vehicles being used by owners either for themselves or for members or their own family for going to the polling booth to exercise their franchise, but not going anywhere within a radius of 200 meters of a polling station;
 - c) Vehicles used for essential services namely hospital vans, ambulance, milk vans, water tankers, electricity emergency duty vans, police on duty, officers on election duty;
 - d) Public transport carriages like buses plying between, fixed terminal and on fixed routes;
 - e) Taxis, three wheeler scooters, rickshaws etc. for going to airports, railway stations, interstate bus stands, hospitals for journeys which cannot be avoided;
 - f) Private vehicles used by sick or disabled persons for their own use.

During Filing of Nominations.

- viii) The maximum number of vehicles that will be allowed to come within the periphery of 100 meters or Returning Officers/Assistant Returning Officers shall be three.

During Period of Electioneering

- ix) It has been experienced that during the period of electioneering private vehicles are used by the candidates, their agents and party leaders and supporters for carting the supporters of a candidate within the ward and on many occasions anti-social elements with muscle power are openly paraded to instill a sense of fear in the minds of the electorate, so that they either vote in favour of particular party/candidate or abstain from voting altogether. These vehicles are also used sometimes to smuggle illicit arms and ammunition with a view to creating disturbances during election. In order to curb such undesirable/illegal activities, the Commission further directs that the District Administration and Police shall keep a close watch on the vehicles used by persons accompanying the contesting candidate and their party's leaders for any possible mischief, including criminal activities like carrying of illegal arms and weapons. If any of these vehicles, either of a party or a private owner, is found to be involved in any such act for carting anti-social elements with a view to intimidating or creating terror in the mind of the electorate, it shall be the duty of the local administration/Police to impound such vehicles and not to release them till the process of election is completed. In addition, criminal action against the owner, the occupant(s) and the candidate/political party which is involved in such illegal activities shall also be taken as per law.
- x) So as to ensure free, fair and peaceful elections, the Police/Traffic Police shall launch such drive for checking the vehicles immediately upon the announcement of the General election and shall continue the drive till the completion of the process of election. Cars/vehicles being used for electioneering purposes shall, under no circumstances, be allowed to move in convoys of more than three vehicles from the date of notification till the completion of election process in any ward. All bigger convoys shall be broken up, even if they are carrying any Minister of Central or State Govt. This shall, however, be subject to any security instructions issued in respect of any such individual. In other words the convoy shall not in any case exceed three vehicles of any person plus the security vehicles allowed in view of the security gradation of that particular person. Such broken up convoys must have a distance of at least 200 meters between them.

- xi) If any person moves in a convoy of vehicles exceeding the limits prescribed above, inspite of the convoy having been broken, it shall be the duty of the local Police/Administration to ensure that such vehicles are not allowed to be used by flouting the Commission's directions till the process of election is completed.
- xii) From the date of notification of the election till the completion of election process in any ward, the district administration and Police/Traffic Police shall keep a close watch on vehicles used by contesting candidates, persons accompanying the contesting candidates and other party leaders and ensure that the Commission's instructions are being followed strictly.
- xiii) The contesting candidates be asked to get the details of all the vehicles that they are using in the election campaign lodged with the Returning Officer concerned before the campaigning commences. Any further deployment of any additional vehicle can take places only after notice to this effect is given by the candidate or his agent well before the actual deployment of the vehicle.
- xiv) The details so obtained should be conveyed by District Election Officer/Returning officer to the Election Expenditure Observers. The vehicles employed for election campaign as per intimation given by the candidates or their election agents to the district administration should not be requisitioned by the administration. Any vehicle that has not been registered for campaigning with the district administration if found being used for campaigning, shall be deemed to be unauthorized campaigning for the candidate and may attract penal provisions of chapter IX A of the Indian Penal Code and shall therefore be immediately taken out of the campaigning exercise.
- xv) A cycle rickshaw is also a vehicle as defined in Section 160 of Representation of People Act, 1951, which may be used for election campaign. If it is being used, then a candidate has to account for its expenditure in his account of election expenses. To ensure this, the candidate should give details of such rickshaws being used for his election campaign and, if the rickshaw does not have any municipal registration/permit for its identification, the rickshaw driver/Puller may be given a permit in his personal name by the Returning Officer which the rickshaw driver should carry on his person while using that rickshaw for campaign purpose. However, rickshaws being used for normal purposes of carrying passengers in ordinary course etc. may be exempted, if they are displaying only one poster showing the name or party symbol of a candidate, presuming they are doing so on their own free will.
- xvi) It is clarified that Ministers and Public Officials, who are using official vehicles, may use their official vehicles from their residences to their offices for official work. No Public official can combine official work with electioneering or any other political activity to justify use of official vehicle for political purposes till the Model Code of Conduct is in force.

II. Subject: Use of Loudspeakers for election campaigns - Consolidated instructions

1. All political parties, candidates and their workers, supporters and sympathizers are using loudspeakers for their electioneering campaigns. These loudspeakers are not only used from fixed rostrums but are also used mounted/fitted on vehicles like trucks, tempos, cars taxis, vans, three wheeler scooters, cycle rickshaws, etc. These vehicles move on all roads, streets and lanes and also around villages, basties, Mohallas, colonies and localities with the loudspeakers broadcasting at very great volume. This results in serious 'noise pollution' and causes great disturbance to the peace and tranquility of the general public. The student community, in particular, gets seriously disturbed as their studies are badly hampered because the loudspeakers start blaring from vey early hours in the morning and continue to do so throughout the day and till extremely late hours in the night. The aged, the infirm and the sick whether in institutions, hospitals, etc. or at home are also put to severe discomfort.
2. The Commission is aware that the use of loudspeakers cannot be stopped altogether during the election period as the loudspeakers are one of the means of election propaganda and imparting information to public. But at the same time, indiscriminate and unfettered use of loudspeaker at odd places at very high volumes which have the effect of disturbing peace and tranquility and causing annoyance to the general public, the sick, and the student community in particular cannot be permitted. Some reasonable restrictions are essential.

3. After considering all aspects of the matter, the Commission, in exercise of its powers DIRECTS that the use of loudspeakers shall be strictly regulated as follows:-
 - i) The use of loudspeakers, whether fitted on vehicles of any kind whatsoever, or in static position used for public meetings for electioneering purposes, during the entire election period starting from the date of announcement of election and ending with the date of declaration of results shall be permitted only between 6.00 AM to 10.00 PM. for which permission of police authority is essentially required
"A public address system or loudspeaker or any sound amplifier, whether fitted on vehicles of any kind whatsoever, or in static position, used for public meeting for electioneering purposes, shall not be used at night between 10.00 p.m. and 6.00 a.m."
 - ii) All loudspeakers whether used for general propaganda or for public meetings or procession, and whether used on moving vehicles or otherwise, shall be used during the restricted hours only mentioned above and never beyond or before.
 - iii) All loudspeakers being used beyond or before the hours as prescribed above, shall be confiscated along with all apparatus connected with the use of these loudspeakers.
 - iv) All political parties, candidates and any other persons using any loudspeakers on moving vehicles including but not restricted to trucks, tempos, cars, taxis, vans, three wheeler scooters, cycle rickshaws, etc. shall intimate the registration identification number of those vehicles to the Police authorities granting permission to use the loudspeakers and such registration identification numbers of the vehicles shall be indicated on the permits granted by the authorities concerned.
 - v) Any vehicle on which a loudspeaker is used without the said written permit shall be confiscated forthwith along with the loudspeakers and all the apparatus used along with it.
 - vi) All political parties, candidates and even other persons using loudspeakers either on a moving vehicle or at a fixed place shall intimate, the Police authorities, in writing, the full details of the permits obtained by them before using any of those loudspeakers.
 - vii) It shall be the responsibility of the Police authorities granting permits for use of loudspeakers and the Police authorities to strictly enforce that no loudspeaker is used by anyone in violation of any of the above directions,
4. No loudspeakers fitted on vehicles of any kind or in any other manner whatsoever shall be permitted to be used during 48 hours earlier to the hours fixed for the end of poll in areas of the ward where election is being held. Use of loudspeakers is generally regarded as source of public nuisance and can often give rise to tension in a politically surcharged atmosphere. The Police authorities should, therefore, consider any application for permission to use loudspeaker after the aforesaid restricted hours on merit of each application and keeping in view the need to maintain proper law and order till the completion of election.
5. The above directions of the Commission, which will check noise pollution and disturbance of public peace and tranquility must be scrupulously implemented and strictly enforced by the Police authorities concerned. Any violation thereof will be viewed by the Commission with grave concern and will invite severe disciplinary action against the defaulting officers.

III. Subject: Prohibition on the sale of liquor.

1. Section 29 C of the DMC Act 1957 as amended provides that no spirituous, fermented or intoxicating liquors or other substances of a like nature shall be sold, given or distributed at a hotel, eating house, tavern, shop or any other place public or private, within a polling area during the period of forty eight hours ending with the hour fixed for the conclusion of poll for any election in that polling area.
2. In view of the statutory provisions as above, 'dry days' shall be declared and notified under the relevant state laws as is appropriate during 48 hours, ending with the hour fixed for conclusion of poll with respect to each polling day for any election in that polling area.
3. The Commission further directs that the day(s) on which the counting of votes is to be taken up shall be declared 'dry day(s)' under the aforesaid Act, till the counting of voters for a ward is completed & result declared.

4. The storage of liquor by individuals shall be curtailed during the above period and the restriction provided in the excise-law on the storage of liquor in unlicensed premises shall be vigorously enforced.
5. Steps shall also be taken to prohibit sale of liquor in adjoining areas of Delhi including areas covered under NDMC & Delhi Cantt Board so that there shall not be chances of clandestine movement of liquor from those areas which have no restriction.
6. The Commission directs that the Government of NCT of Delhi shall strictly implement the above measures. They are required to issue detailed and comprehensive instructions to all concerned authorities to take appropriate, legally effective measures to implement the above prohibitions and assist the election authorities in the peaceful and smooth conduct of free and fair poll.

IV. Subject: - General Election to 250 wards of The Municipal Corporation of Delhi, 2022- Restrictions on the printing of pamphlets, posters etc.

Section 22 of the DMC Act, 1957 as amended prescribes restriction on printing and publication of election pamphlets, poster etc. and declares it a corrupt practice.

The following instructions on the subject are issued for strict compliance by all concerned.

- i) No person shall print or publish, or cause to be printed or published, any election pamphlet or poster which does not bear on its face names and addresses of the printer and publisher thereof
- ii) No person shall print or cause to be printed any election pamphlet or poster -
 - a) unless a declaration as to be identity of the publisher thereof, signed by him and attested by two persons to whom he is personally known, is delivered by him to the printer in duplicate; and
 - b) unless, within a reasonable time after the printing of the document, one copy of the declaration is sent by the printer, together with one copy of the document printed to the concern Police authorities.
- iii) For the purposes of these instructions-
 - a) any, process for multiplying copies of a document, other than copying it by hand, shall be deemed to be printing and the expression "printer" shall be construed accordingly; and
 - b) "election pamphlet or poster" means any printed pamphlet, hand bill or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates or any placard or poster having reference to an election, but does not include any hand bill, placard or poster merely announcing the date, time, place and other particulars of an election meeting or routine instructions to election agents or workers.
2. It has been observed that surrogate advertisements appear in print media, especially newspapers, for and against particular political parties and candidates during election period. In many cases such advertisements are for the prospects of election of particular candidates. As per rule 105 of the DMC Rules, 2012, expenditure involved in such advertisements in connection with the election of any candidate has to be added to the account of election expenses of the candidate, required to be maintained under that Rules. Further, Section 171H of I.P.C. prohibits incurring of expenditure, on inter-alia, advertisement, circular or publication, for the purpose of promoting or procuring the election of a candidate without authority from the candidate. The surrogate advertisements defeat the purposes of the aforesaid provisions of law.
3. In order to sub serve the requirements of the provisions of law as mentioned above, the Commission directs that in the case of any advertisements/election matter for or against any political party or candidate in print media, during the election period, the name and address of the publisher should be given alongwith the matter/advertisement.
4. The following points may be noted in respect of the advertisements that appear in the print media, especially newspapers, for and against particular political parties and candidates during election period:

- a) In the case of advertisements, the source of which is traceable, the following action may be taken:-
 - i) if the advertisement is with the consent or knowledge of the candidate, it will be treated to have been authorized by the candidate (s) concerned and will be accounted for in the election expenses account of the candidate(s).
 - ii) If the advertisement is not with the authority from the candidate, then action may be taken for prosecution of the publisher for violation of Section 171 H of IPC-(incurring expenditure in advertisement without written authority from the candidate(s) concerned).
 - b) If the identity of the publisher is not indicated in the advertisement, then the Police authorities and Election Expenditure observer may contact and get the information from the Newspaper concerned, and consider appropriate action, as above.
5. The provisions of Delhi Prevention of Defacement of Property Act, 2007 should strictly be enforced.

V. Subject:- Election related advertisements in newspapers and other print media-election campaign- regarding.

"Section-25 of DMC Act 1957 (as amended) Prohibition of public meetings on the day of Poll.

- 1) no person shall-
 - a) convene, hold or attend, join or address any public meeting or procession in connection with an election; or
 - b) Display to the public any election matter by means of cinematograph, television or other similar apparatus.
 - c) Propagate any election matter to the public by holding, or by arranging the holding of any musical concert or any theatrical performance or any other entertainment or amusement with a view to attracting the members of the public thereto, including star campaigning in any polling area from 48 hours earlier to the close of poll, for election to a ward of Municipal Corporation of Delhi.
- 2) Any person who contravenes the provisions of sub-section (1) shall be punishable under the law.
- 3) In this section, the expression "election matter" means any matter, intended or calculated to influence or affect the result of an election."
- 4) Queries have been raised from some States whether broadcasting of election related matter over TV Channel/Cable networks and Radio could be done during the aforesaid period i.e. from 48 hours earlier to the hour fixed for close of the poll.
- 5) It is clarified that radio would be treated as 'other similar apparatus' for this purpose and hence broadcasting/propagating any election matter through TV Channel/Cable network Radio would not be permissible during the aforesaid period.

VI. Subject: Preventive Action to ensure conduct of peaceful, free and fair poll during the forthcoming General Election to 250 wards of the Municipal Corporation of Delhi.

1. The Commission being deeply aware of the increasingly vitative role of criminality and muscle power at elections and directing the taking of a number of measures over and above the purview of normal law and order arrangements, for augmenting the peaceful, free and fair poll. These measures include the deployment of Central Police Forces during the process of elections to assist the Local law and Order machinery in prevention of pre-poll, during the poll and post-poll violence and inspire confidence in the impartiality of election machinery among the common electorate, regulation of vehicular traffic, regulation and ban on the sale of liquor in close proximity with the dates of poll and counting, seizure of illicit and licensed arms, etc.
2. These extra measures taken by the Commission cannot absolve the normal law and order outfit from taking such preparatory steps as are necessary for generation of an atmosphere conducive to the conduct of peaceful free and fair poll during the run up period to the elections. It is indispensable to tighten the local law and order outfit and enforce with adequate strictness the day-to-day criminal administration with a view to mitigating the requirement of the aforesaid extra measures.

3. The Commission desires that the Govt. of NCT Delhi, shall undertake the following prophylactic measures immediately and report regularly to the Commission the progress and effect of these measures in the context of possibilities of holding peaceful, free and fair elections:
 - 3.1 A special drive should be launched to compile a list of such persons as are reported to have indulged in electoral offences like booth capturing, intimidation, impersonation in each police station of each and every M.C. ward during the past at least two elections and a list thus compiled of each ward made available to the concerned District Election Officer and the Returning Officer of each M.C. ward to be forwarded to the Commission if and when asked for.
 - 3.2 A special drive should be launched to update the lists of history sheeters declared absconders, fugitive criminals in each police stations falling in each and every ward and record of such updated lists handed over to the Returning Officers concerned, ward wise, a view to be kept ready for dispatch to the Commission, if and when asked for.

 - 3.5 A special drive should be launched to unearth illicit liquor making factories and information about seizures made available to the concerned Returning Officer fortnightly to be forwarded to the Commission if and when asked for.

Subject: Clarification-regarding Model Code of Conduct enforced during the General Elections to 250 wards of the Municipal Corporation of Delhi 2022.

State Election Commission, NCT of Delhi, had issued the Model Code of Conduct for the guidance of political parties and candidates. This was followed by the consolidated instructions of Model Code of Conduct. After the withdrawal of the candidatures it has become necessary to issue further consolidated instructions during the campaign period to ensure that there is free and fair poll.

1. As per The Delhi Prevention of Defacement of Property Act, 2007, all structures, walls, electric poles, trees, fences are treated as property and defacement by way of putting up banners, hoardings, writing by ink, chalk, paint or any other material is not permitted. However, taking into consideration the need for allowing the candidates to campaign, it has been decided that "party flags" can be put up at the following locations:-
 - a) Only one flag can be installed at the residence of the candidate.
 - b) Party Office of the candidate including temporary office in the Ward (The size of the flag should not be more than 3 ft x 2 ft). Five temporary offices can be established by each candidate in a Ward.
 - c) Party flag can also be put up on the three vehicles which are permitted for campaigning by the candidate. However, flag on the car should only be 1½ ft x 1ft.
2. It is clarified that no hoardings, banners are allowed anywhere except at places authorized by the Municipal Corporation for which separate permission from the M.C. has to be taken. All other posters will be removed and cases registered under The Delhi Prevention of Defacement of Property Act, 2007.
3. Distribution of small pamphlets in house to house campaign can be permitted provided they are not distributed in public places so that proper cleanliness and hygiene is maintained.
4. Some sitting councilors and public persons have put up sign boards in Wards in the past indicating their names & name of work done. There have been complaints that this would intervene with the free and fair poll. It is therefore, ordered that the Municipal Corporation and Police would remove all

these sign boards wherever they are found, wherever any name of the councilors and/or other public men are found on the sign board.

5. Political parties are permitted to use Vans/LMV for election campaign. These will be limited to area of the Municipal Corporation where election is going to be held fitted with equipment like TV, DVD, projector, speakers, photographs of leaders & election symbol and one party flag (size 3 ft x 2 ft) & election symbol is allowed subject to prior approval of Police and Transport Department & compliance of conditions like timing & areas as imposed by them. If party candidates' names, photos etc. are carried of these Vans/LMV, the proportionate cost of use of vehicles will be reflected in the expenditure incurred by the candidate in a particular Ward. The application for permission should be made to DCP (Election Cell), Police Headquarters, L.P. Estate, New Delhi 110002 and to Commissioner (Transport) or any designated officer of Transport Department, Govt. of NCT of Delhi, 5/9, Under Hill Road, Delhi- 110054.

Subject: Further Clarifications regarding Model Code of Conduct in the General Election to 250 Wards of the Municipal Corporation of Delhi.

The State Election Commission, N.C.T. of Delhi had issued the Model Code of Conduct for the guidance of political parties and candidates, followed by the Consolidated Instructions thereon, related to various aspects pertaining to the campaigning period. After discussion with the Delhi Police, the following further instructions are issued in respect of observance of campaigning procedure during the ensuing campaign:-

1. While taking out procession/padyatra during the campaigning, it has been decided that a candidate and his workers can hold flags upto maximum five (5) in numbers for one procession. The size of the flag will be 3 ft by 2 ft.
2. Use of the drums and other musical instruments is not allowed during the processions/padyatras.
3. The banners would normally be party banners in the case of a recognized national party or a state party. In the case of unrecognized but registered party, the party could use the symbol of its party or the symbol of the candidate allotted by the Returning Officer.
4. It is clarified that rickshaw is also treated as a vehicle in earlier instruction regarding restricting processions to the three vehicles per candidate. The instruction regarding three vehicles to be allowed per candidate would also be applicable to a rickshaw. Hence no separate flags on rickshaws are permitted.

The above instructions are issued for strict compliance of all concerned.
